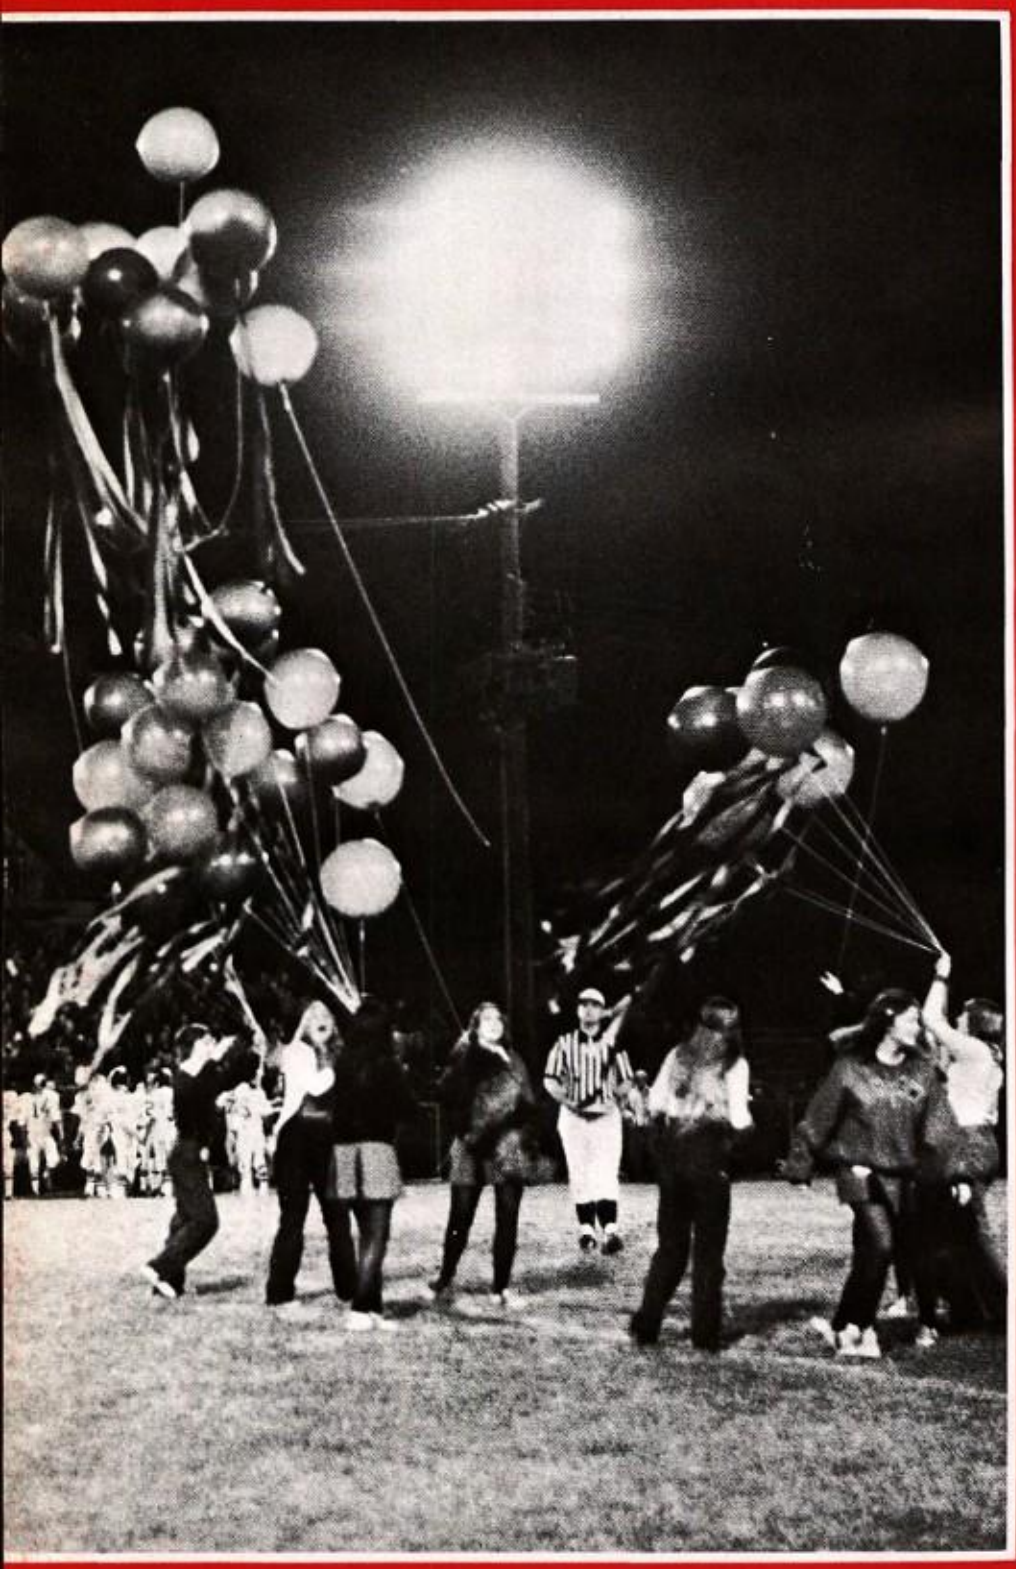
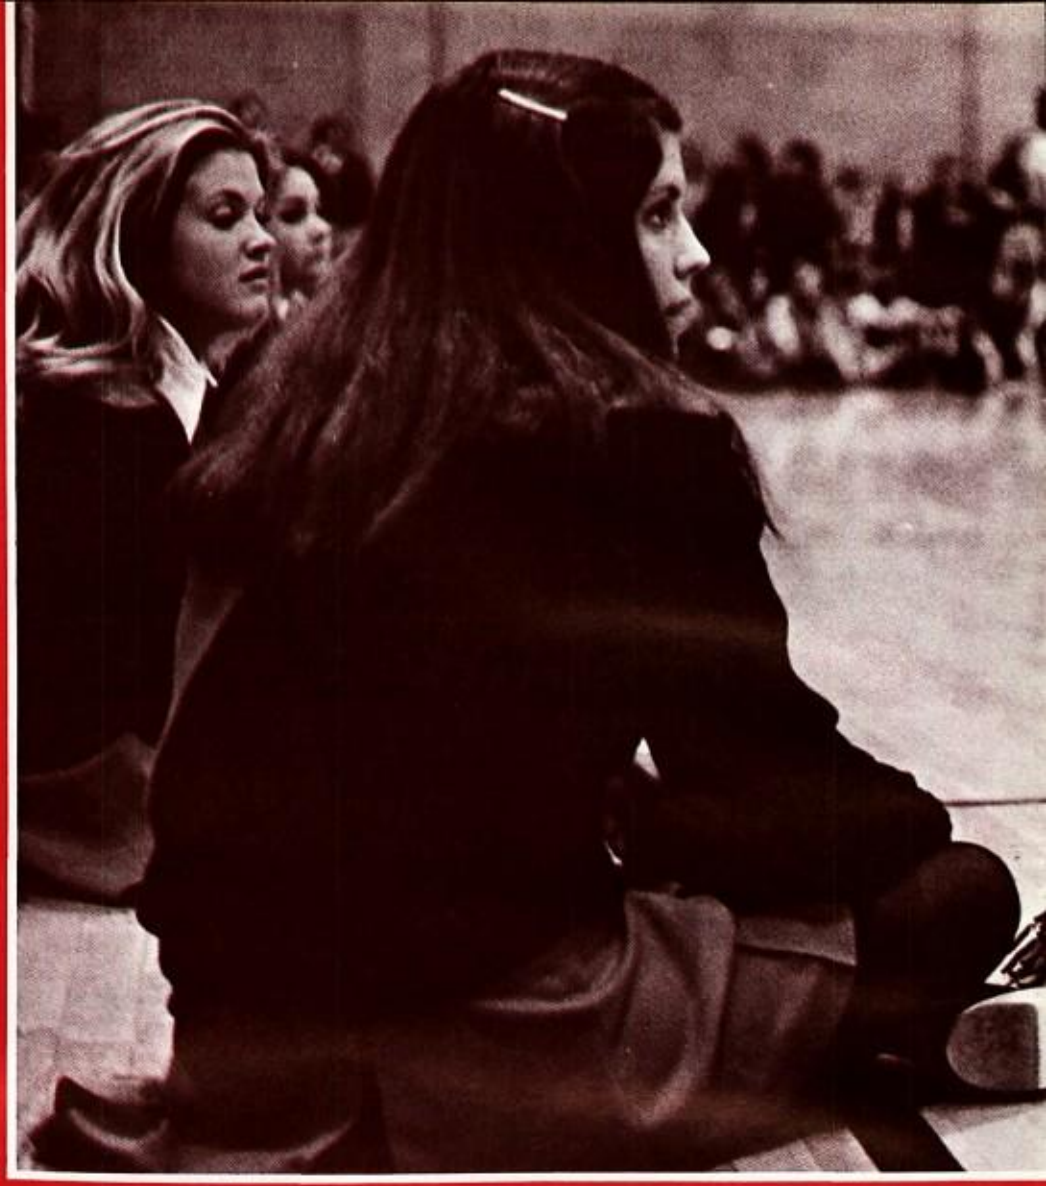
Mason City High School
1700 4th St. S.E.
Mason City, Iowa
Volume 61

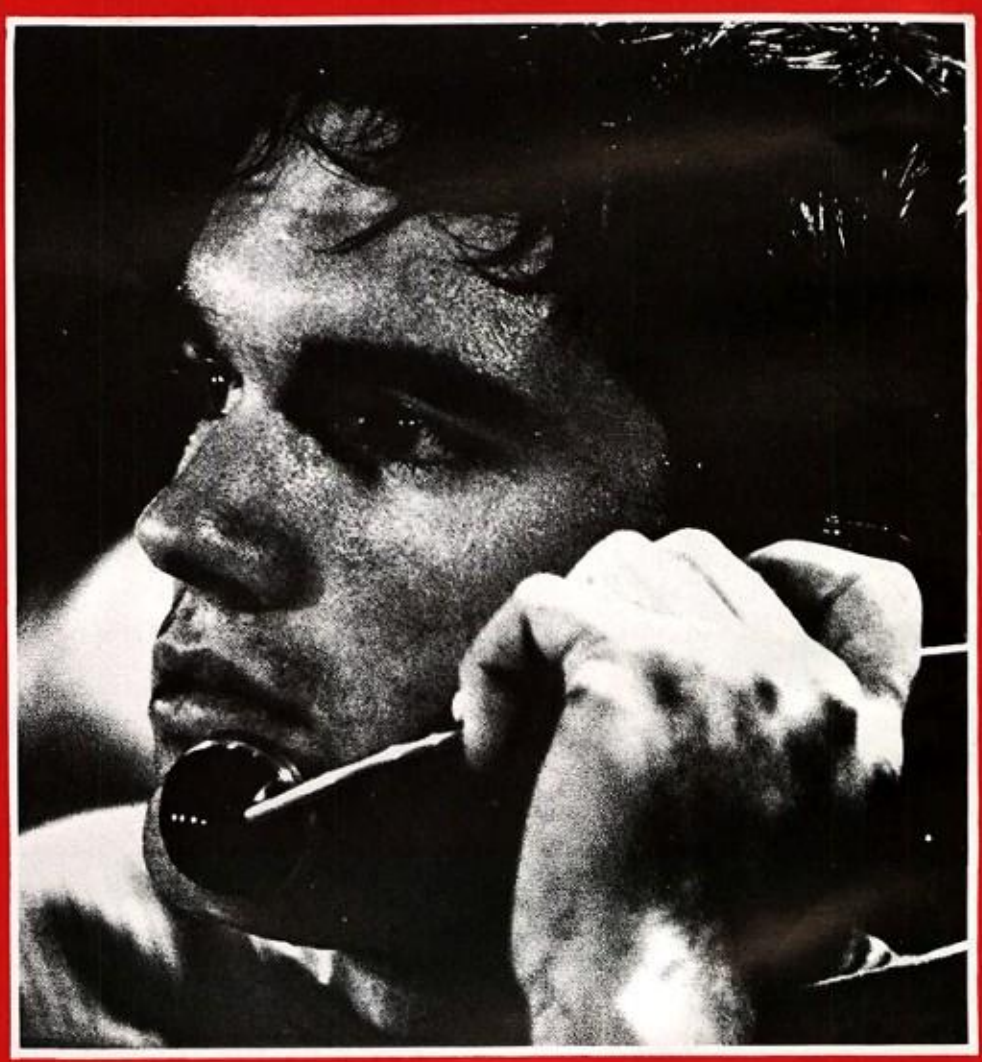
In 1856, the first classes in Mason City were held in a log cabin. In 1858, a two-story school house was built and by 1872, a three-story school was built to accommodate the growing number of students. By 1890, a high school was built and was later used as an elementary school. A new high school was built in 1904, but was destroyed by fire in 1911. Classes were held in the Memorial University until another new high school was completed in 1918. That building survived the longest as a high school and a junior college. Our present high school welcomed its first students in the fall of 1967.



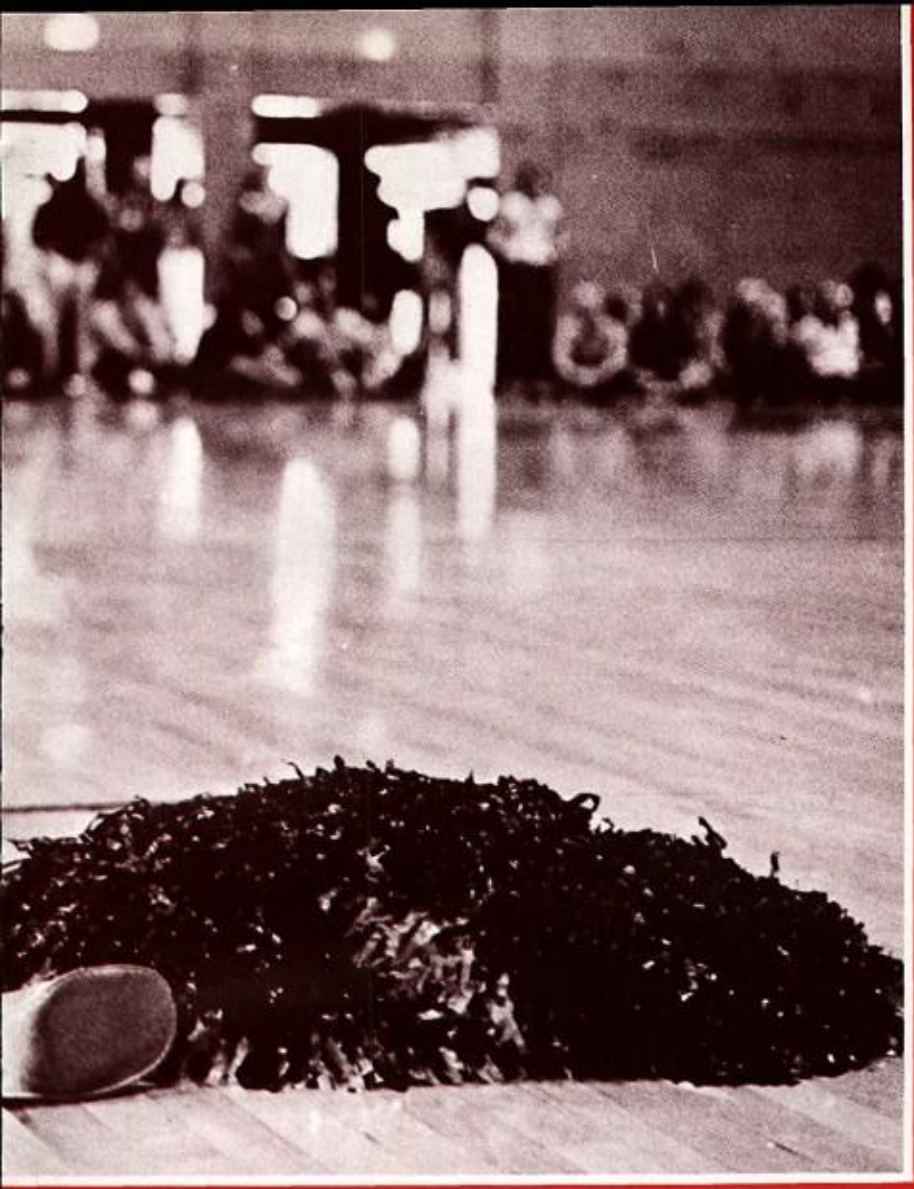
LIFT-OFF — M-thusiast members let helium-filled balloons soar into the night sky at homecoming festivities.

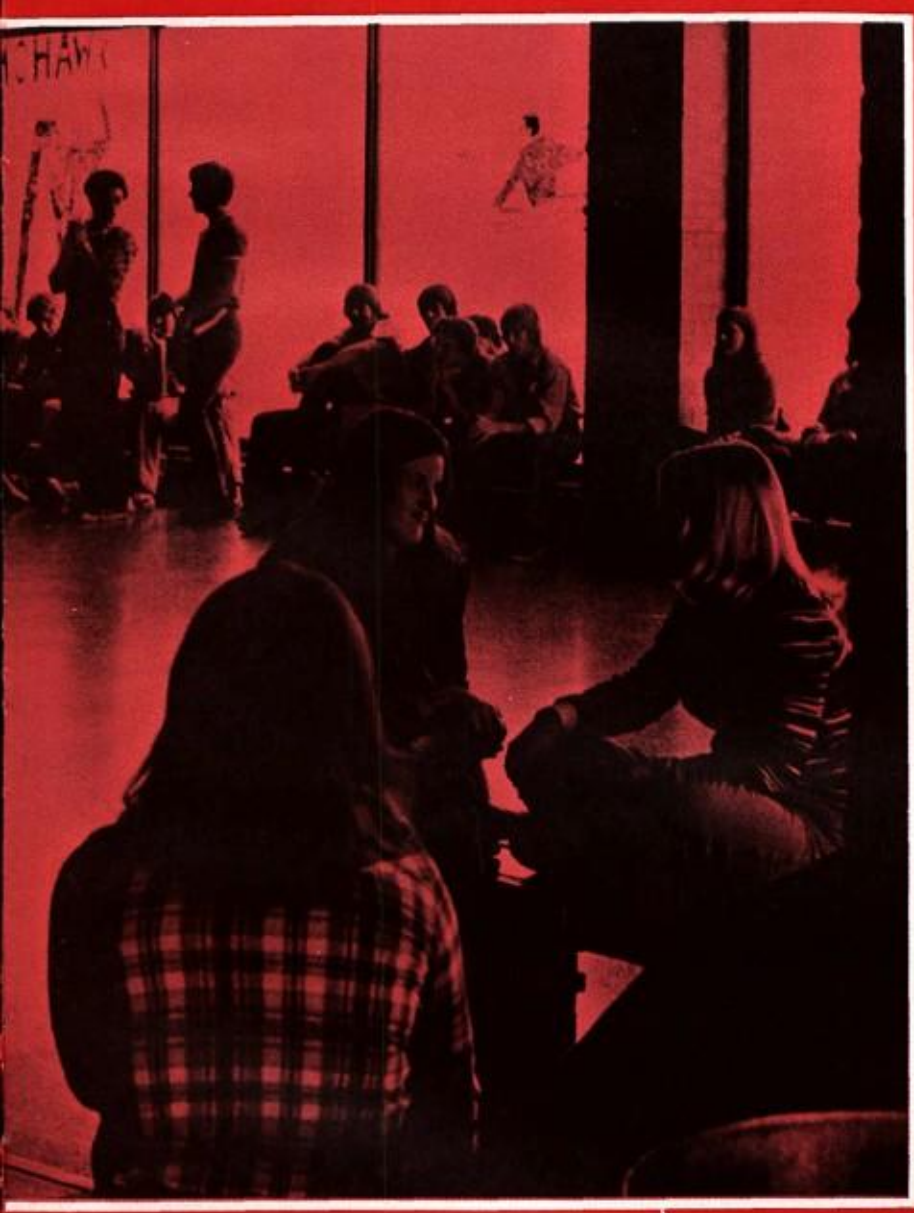


CHANGE OF PACE — Cheerleaders Kellie Oakes and Betsy Elder enjoy a break from their spirit-raising performances during a pep assembly.



HELLO, COACH? — Quarterback Jon Heiny listens carefully to instructions over the phone from authorities in the press box.





TIME-OUT — Taking a break from the day's studies, students congregate in the Commons to talk with friends.

1976 was a year for celebration,
and along with every other high school
in the nation,
Mason City celebrated, too.
But didn't you see something unique
about our school?
After all, it was 1976,
the year of our nation's 200th birthday.
And we are and always will be
the River City of the U.S.A.
Yes, River City.
The one with 76 trombones leading
the big parade.
We marched through the year leading
a big parade,
just as those 76 trombones did.
Look what we have done . . .

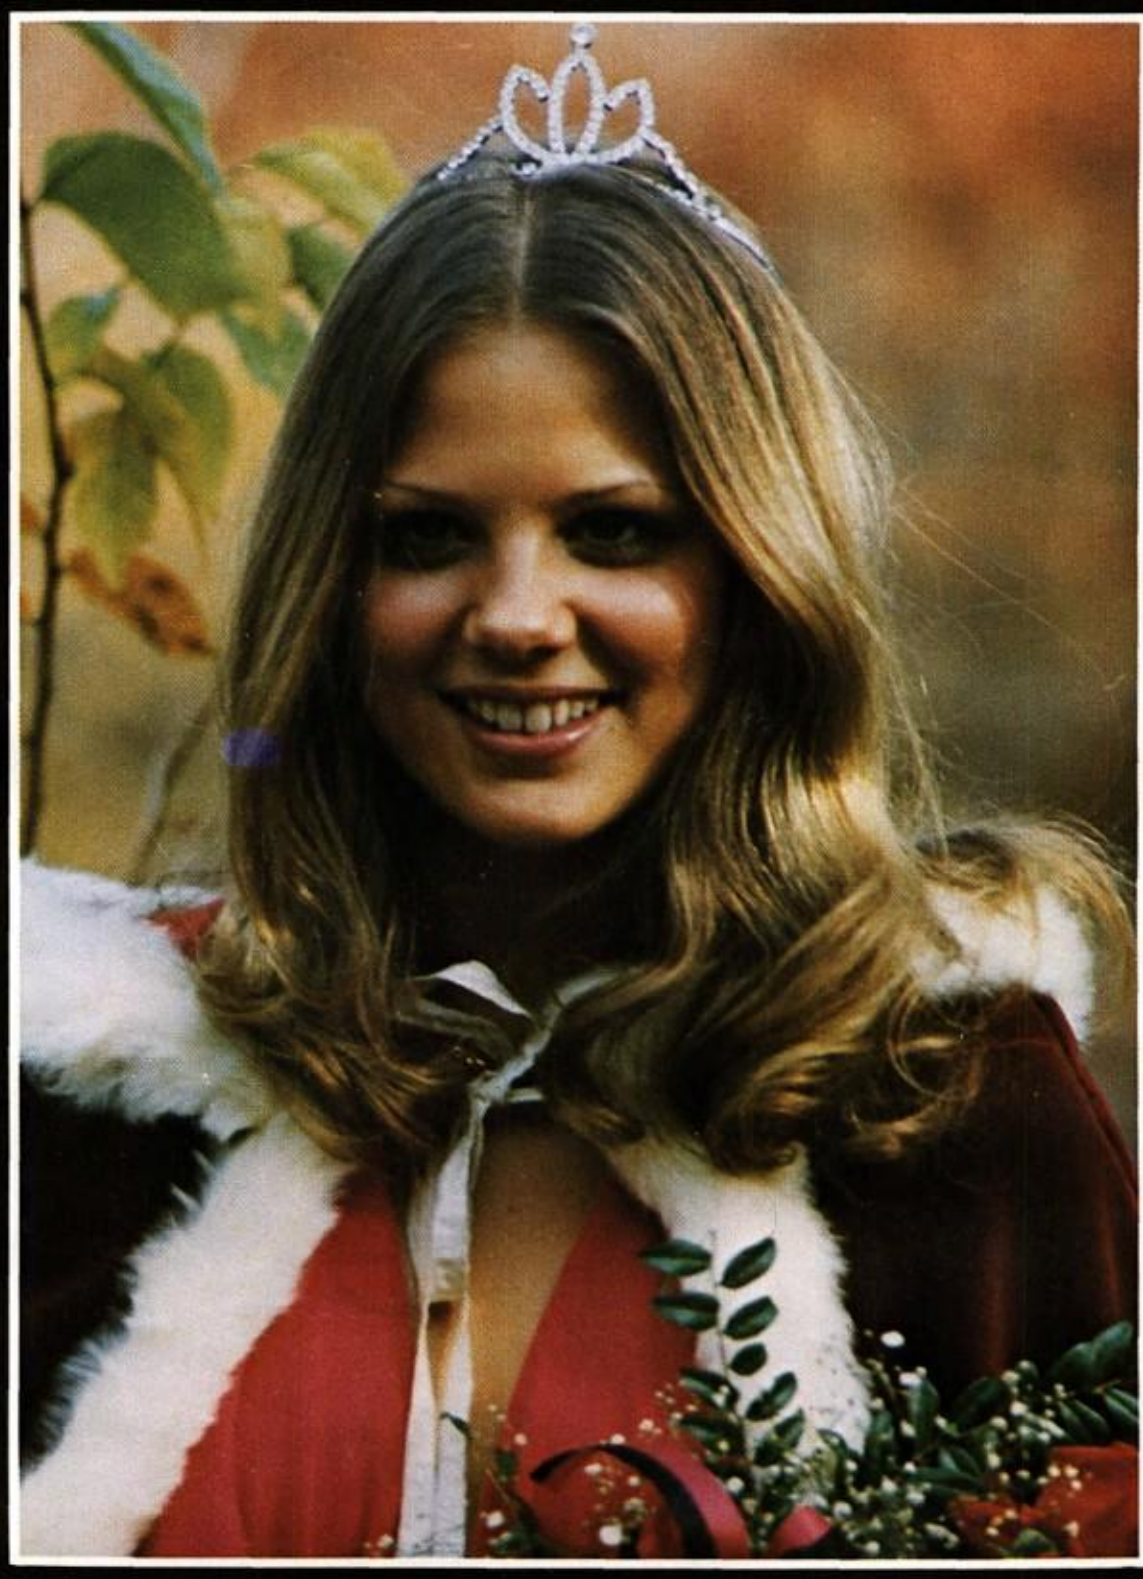
Colour my world

Homecoming week was a wild one, bent on boosting Mohawk spirit. Students and teachers donned crazy ties, hats, socks, and overalls, and on the big day wore school colors to prove their Mohawk spirit.

Festivities began Thursday with the coronation ceremony. Senior class president Dennis Radio named Jill Schulting the 1975 homecoming queen. Her attendants were Ann Espinosa, Vanessa Hazlett, Janee Bloomfield, and Julie Ollenburg.

Loyal Mohawks gathered at Roosevelt Stadium Thursday night for a car smash and bonfire. The car smash, new to the traditional bonfire scene, was sponsored by the M-thusiasts, who sold three blows with a sledge hammer for a quarter. Bolstered by the cheerleaders, spirits soared along with the flames at the spectacular bonfire.

The fans returned Friday night for the game against Fort Dodge, ready to cheer the Mohawks on to victory. Although we didn't "Demolish the Dodgers," many had enough spirit left to get to the homecoming dance. The theme of the dance was "Colour My World" and the music was by Benson. That wrapped up homecoming week (except for scattered T.P.ing) and on Monday, things returned to normal.



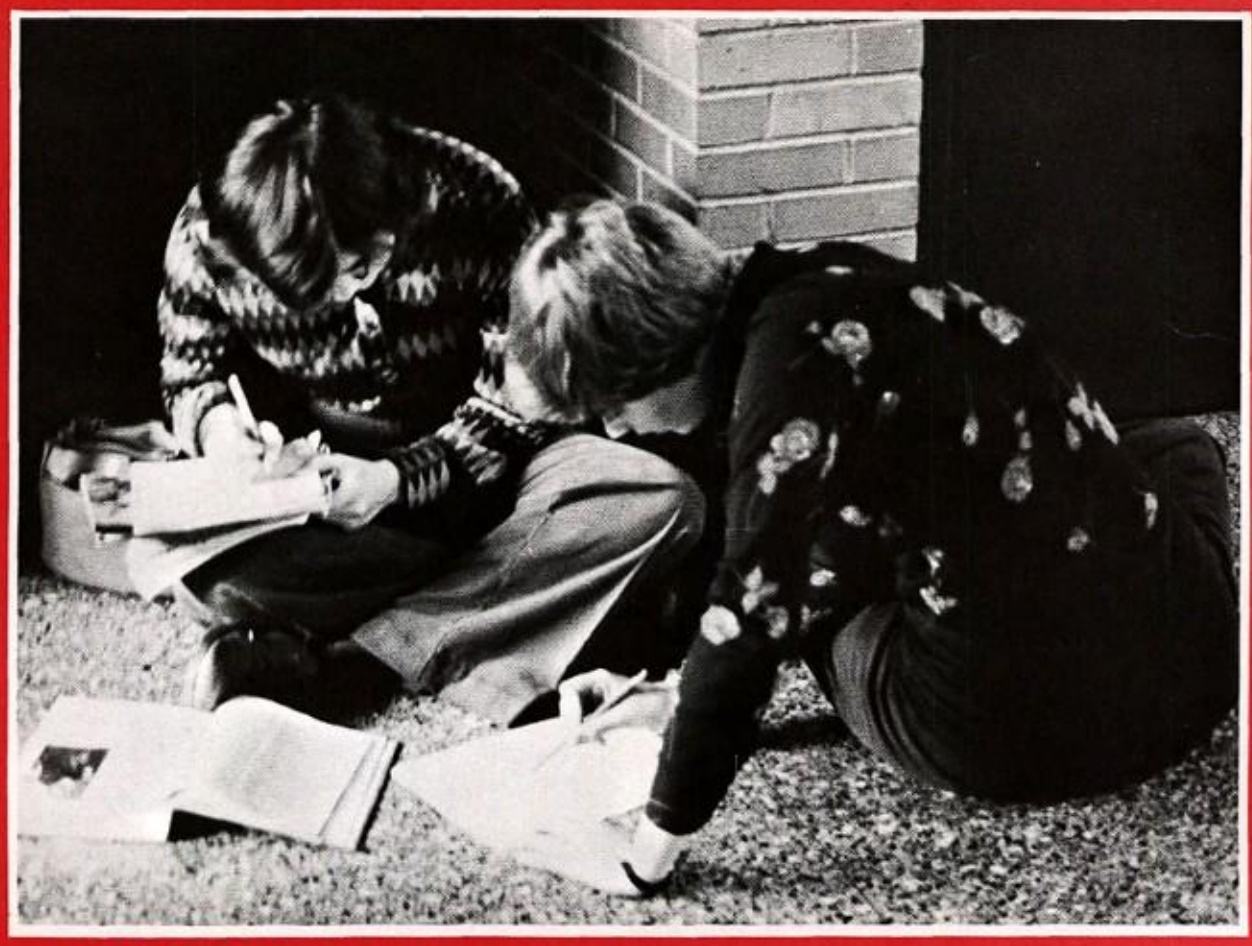
HOMECOMING QUEEN JILL SCHULTING

MIGHTY "M" — The marching band and drill team warm up for their performance during homecoming halftime

SMILE TIMES FIVE — Queen Jill Schulting and her attendants Ann Espinosa, Julie Ollenburg, Vanessa Hazlett and Janee Bloomfield enjoy a stroll through the park.

ON WITH THE SHOW — Almost as nervous as the queen candidates themselves, David Phillips, Barb Cheney, and Dennis Radio wait for the coronation ceremony to begin.

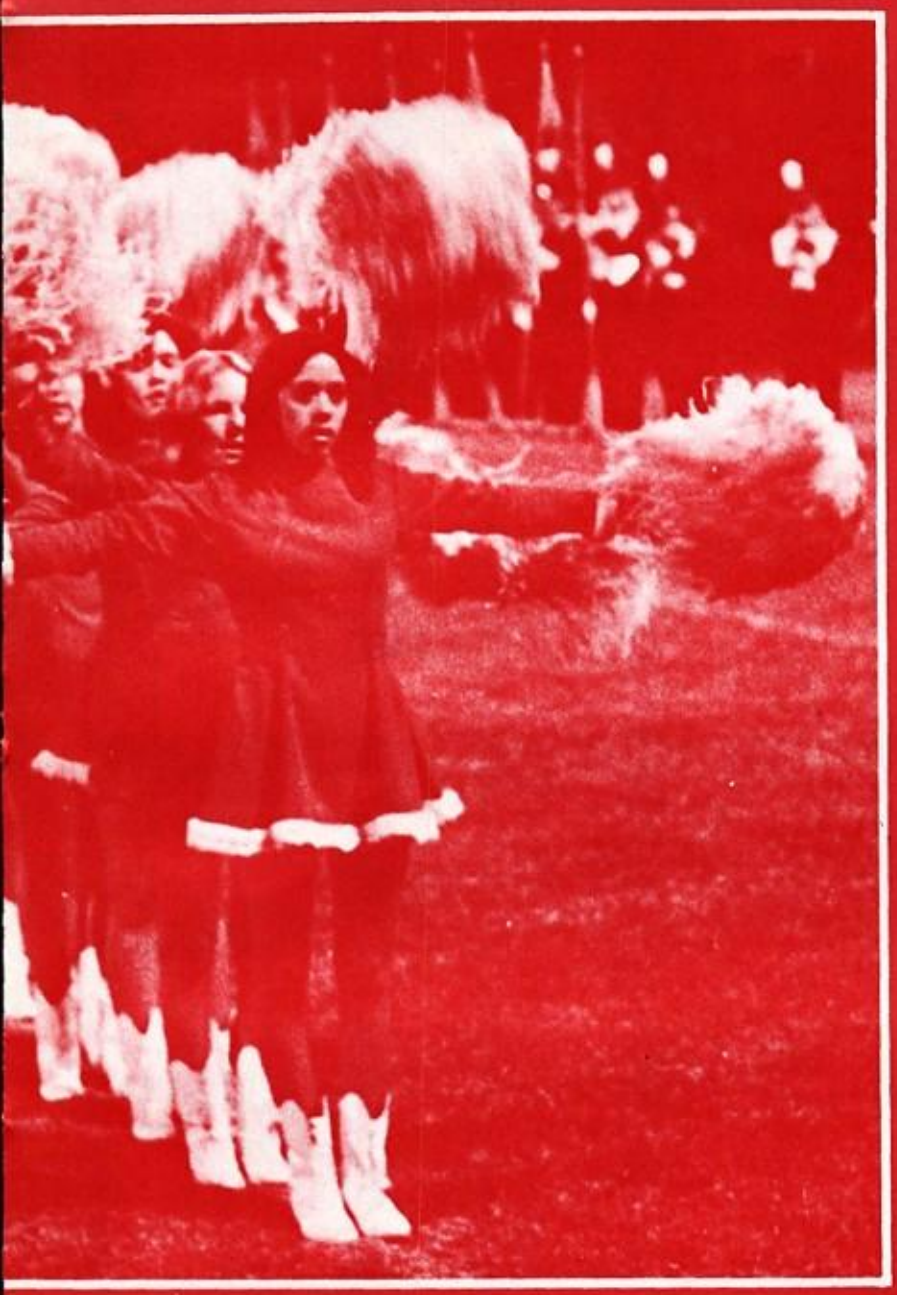
MOHAWK POWER —Football is still the main attraction of the homecoming festivities.



REAL DEDICATION — Polly Low and Margaret Girton prove that some students will study anywhere.

TENSION MOUNTS — Sophomores Don Esser, Bob Niedermayer, and Lori Nolte try relieving some of their tensions while waiting a turn to speak at class elections.

SOMETHING'S FISHY — Sparking up the homecoming celebration is a float made by volunteer members of the student body, who put in many hours of hard work.



READY FOR TAKE-OFF — Teri Herrera leads her fellow drill team members in a pom-pon routine for football fans.

OUR PARADE

We, as individuals or as a student body, chose the route to follow in the big parade.

There were paths to choose, mountains to climb, bridges to cross, and plateaus to conquer.

Each was a step along the route of the parade — each a step in the life of the student.

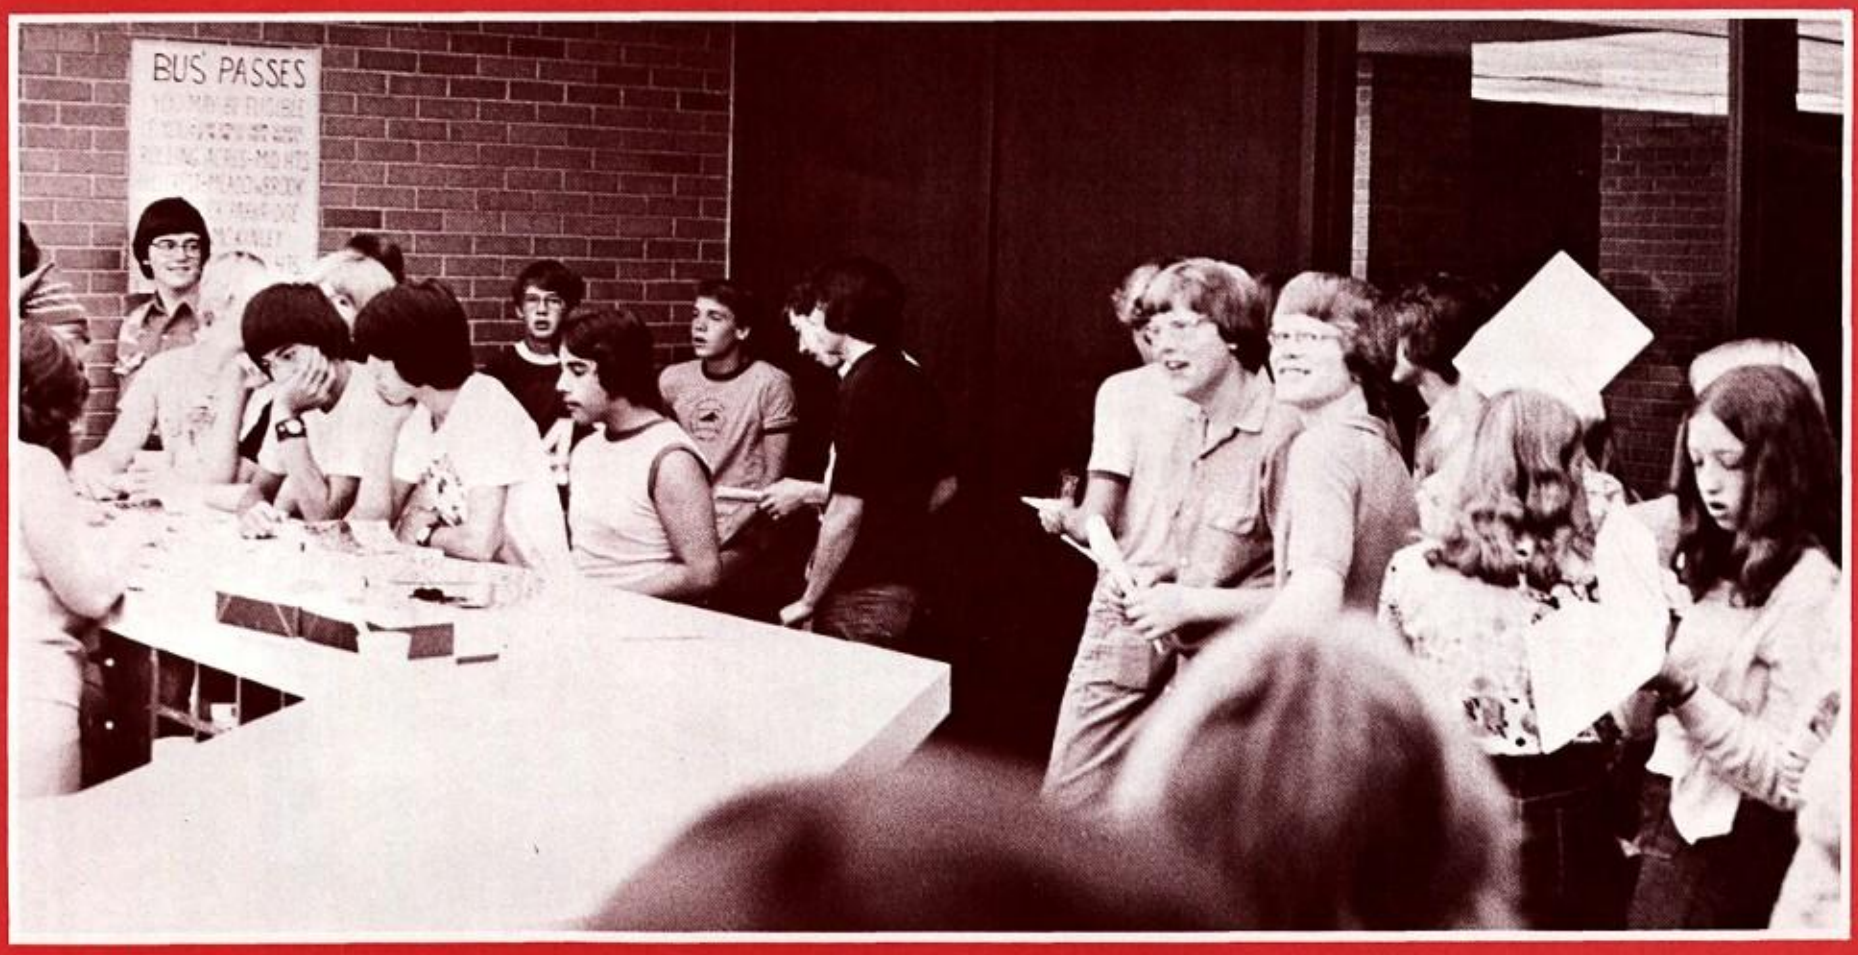
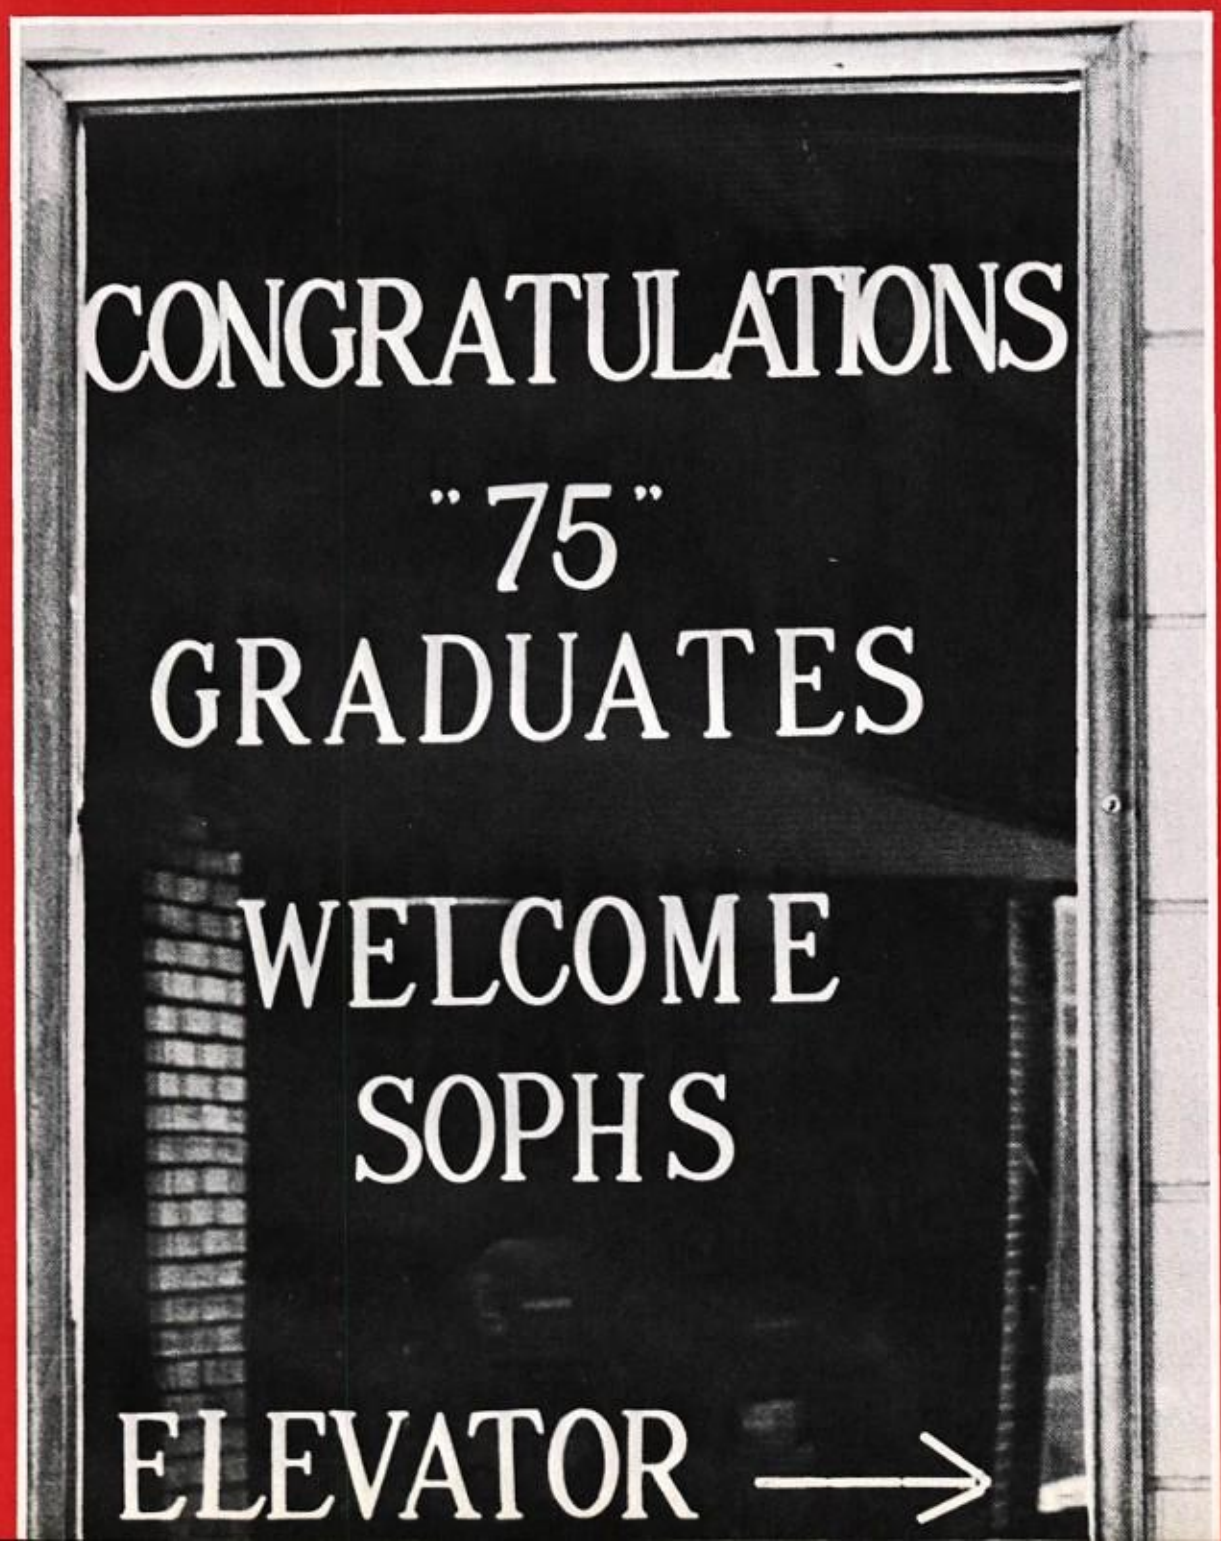
STILL SMILIN' — Mixed emotions reside at the ceremony.



"WHAT?" — Secretaries register puzzled students in the office during summer sophomore registration.

"ELEVATOR?" — Especially helpful to sophomores, this sign points the way to the location of the elevator.



Soph orientation held in summer

More than 500 sophomores were shown throughout our school during sophomore orientation. Under the guidance of the staff, seniors led oncoming sophomores down the halls and through the Commons and explained to them various aspects of the school. The newcomers were taken to classrooms and told by staff members rules they had to follow.

It was an effective and most successful orientation for all. Most of the sophomores knew where to go the first day of school (except for the few who couldn't find the elevator).

Elections are spirited

Student council elections were held in the spring of 1975. Those elected were: president — Jay Johnson; vice-president — Vanessa Hazlett; secretary — Ann Espinosa; and treasurer — Nancy Dutcher.

Class elections had one of the biggest turnouts of campaigners ever. In the fall, ambitious students from all three classes cluttered up the halls, Commons, and cafeteria with their brightly colored posters.

During assemblies for each class, students gave sincere speeches in hopes of being elected.

The large number of candidates gave the voting student body a big decision in choosing the person they wanted to have to serve them best.

WHAT A DECISION — Seniors listen attentively to their classmates during student election campaign speeches.

THE V.I.P.'S — Smiles mask the faces of student council officers Ann Espinosa, Nancy Dutcher, Jay Johnson, and Vanessa Hazlett.

"M" FOR MARY — Sophomore Mary Boelman sincerely expresses herself while giving her campaign speech.

3 DOWN, 6 TO GO — While waiting a turn to speak, candidates give their undivided attention to a campaigning classmate.

PRACTICE MAKES PERFECT — Sophomores go over last-minute details before presenting speeches to their class.

OUTNUMBERED — Dean Neff doesn't pay attention to his female surroundings; he's just concerned about his speech.

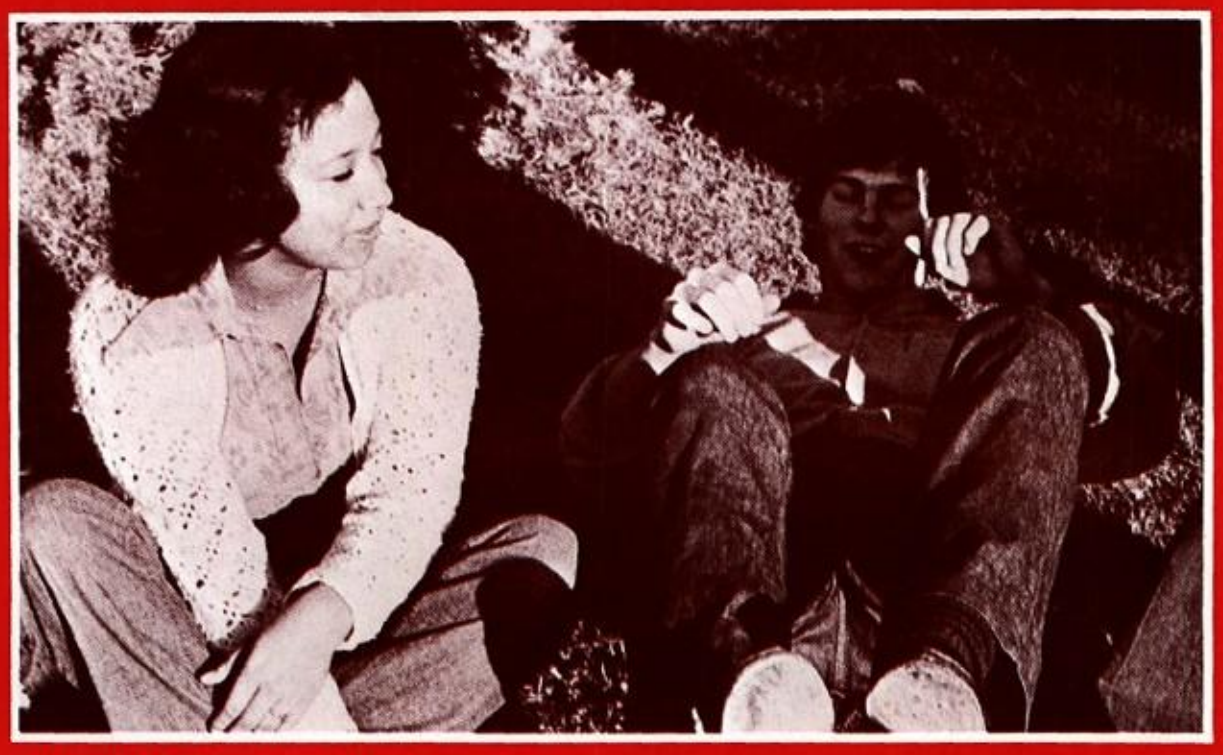
WHO'S NEXT? — Seniors nervously wait to give their campaign speeches for class office.

Five foreign students at MCHS

During 1975-76, Mason City had three foreign exchange students and two students who moved to Mason City from foreign countries.

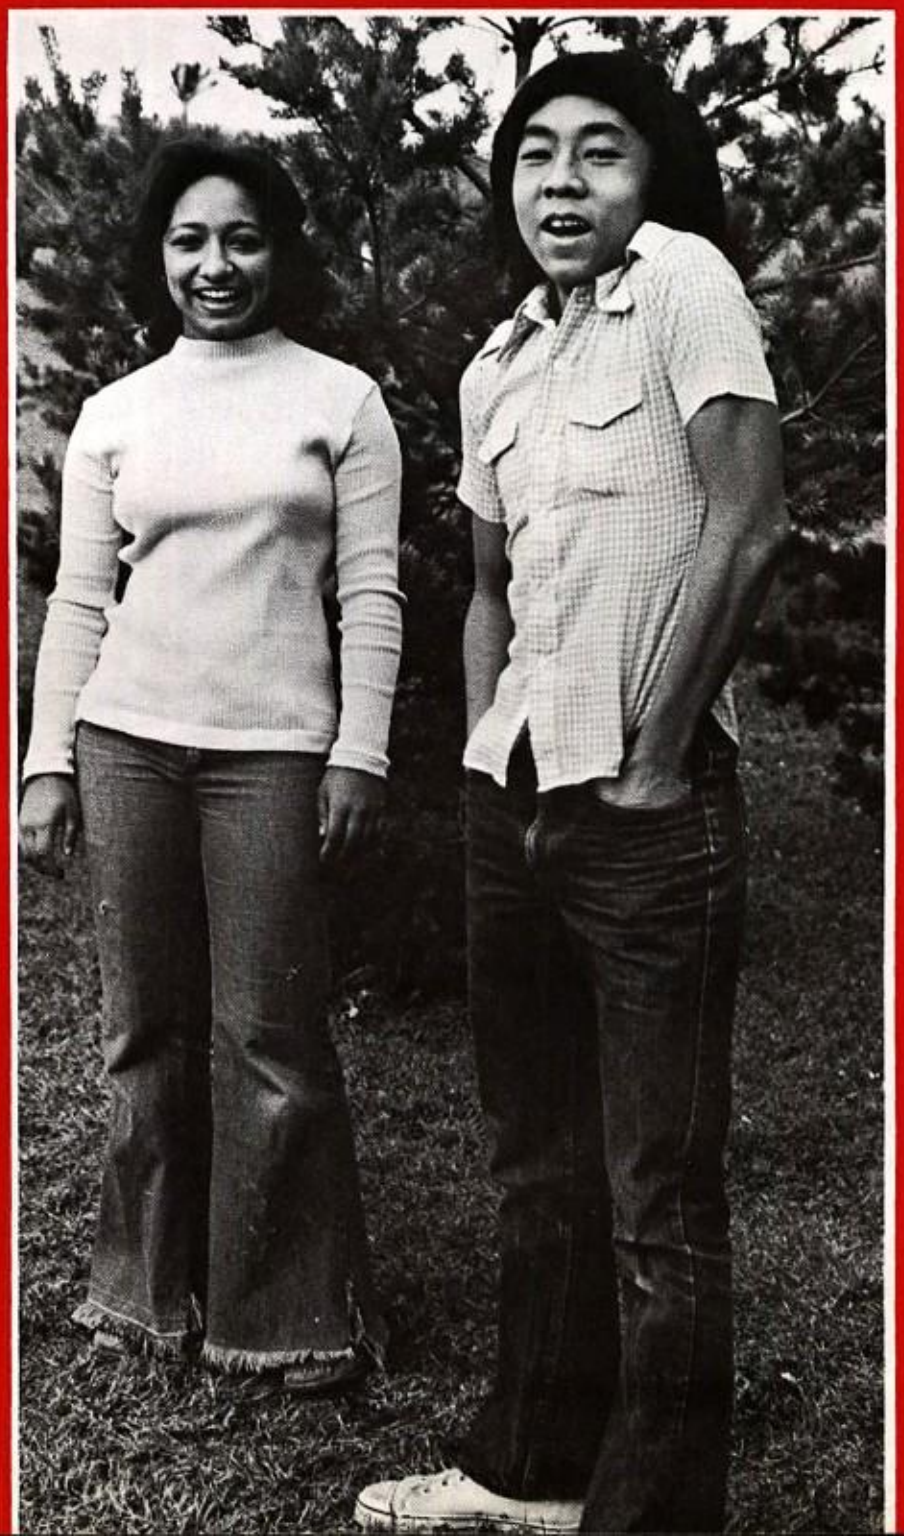
Asked to voice their feelings toward MCHS, Sandra Contreras Recinos exclaimed, "I think that school is something fantastic!" Ton that Thang from South Vietnam remarked, "This is a completely different place for me. I will try to do better to be able to face this new kind of life."

Kristin Jaeger thought that MCHS was a bit confusing at first because of its large student body and rotating schedule. That's just not the way it is in Norway. Frank Bulcke stated, "It is a rich school with many computers." He is very grateful that the teachers were always willing to offer so much help. His homeland is Belgium. Mike Roe lives in Denmark. He said that he likes the school "but it's much different than Denmark and bigger than I'm used to."

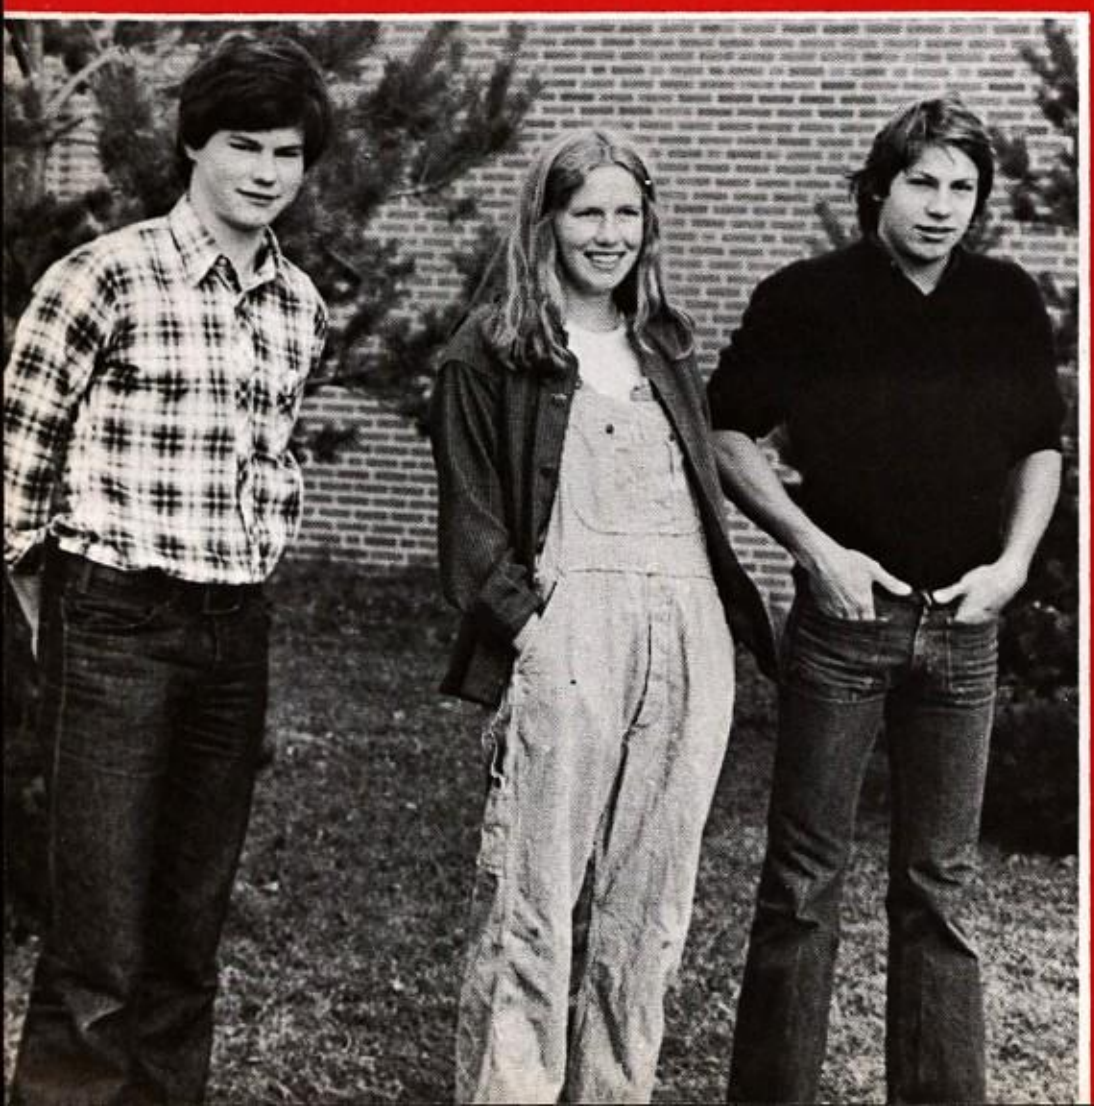


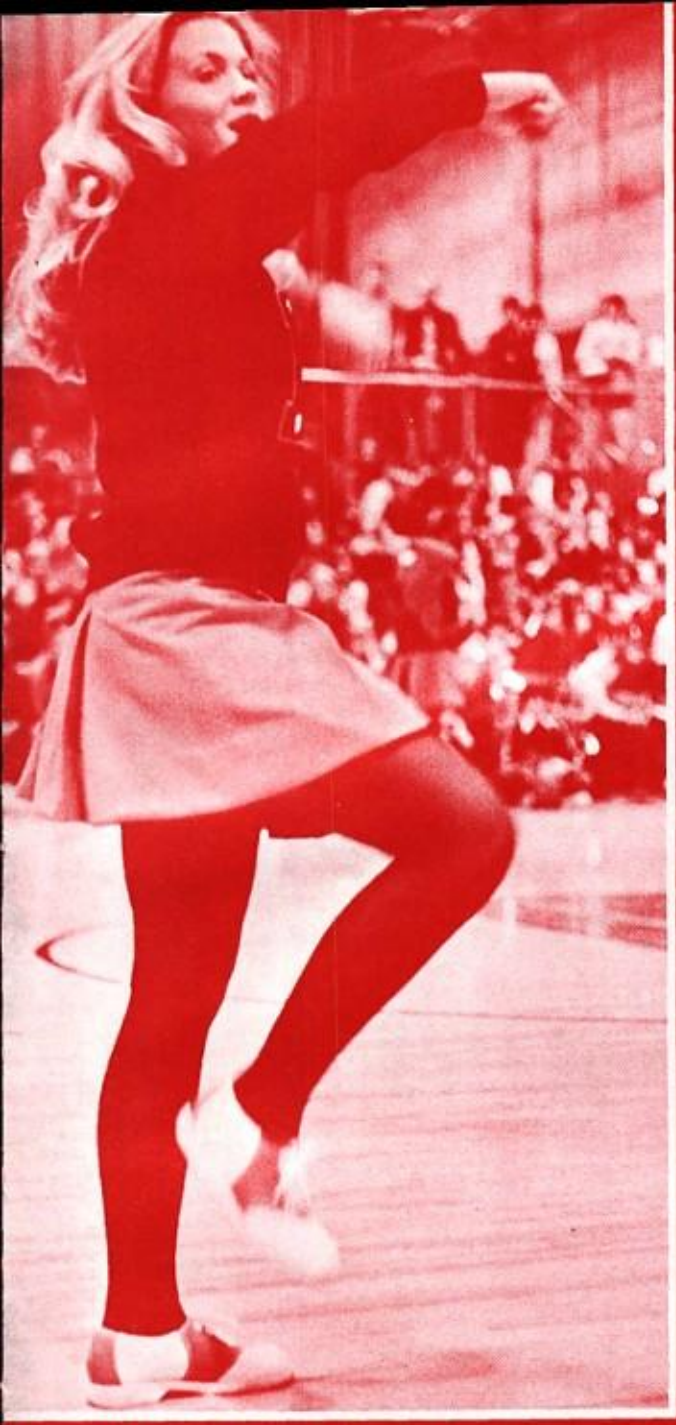
TAKING IT E-Z — Having found a sunny niche in the perimeter, Sandra and Frank relax and get acquainted during their free time.

NEW OUTLOOK — Sandra's and Ton's smiling faces portray their acceptance of a new kind of life in America and at MCHS.



FITTING IN — Frank, Kristin, and Mike are well adjusted to our style of dress.

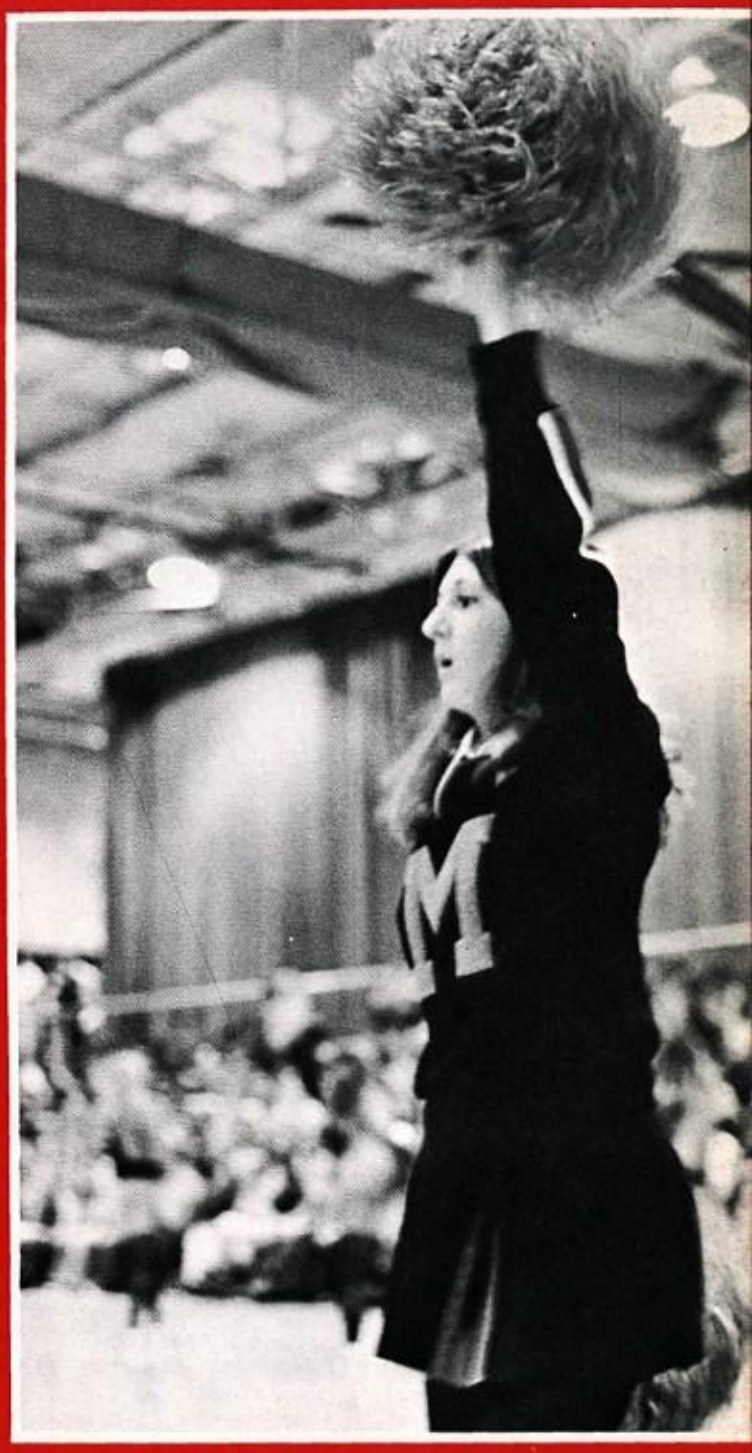




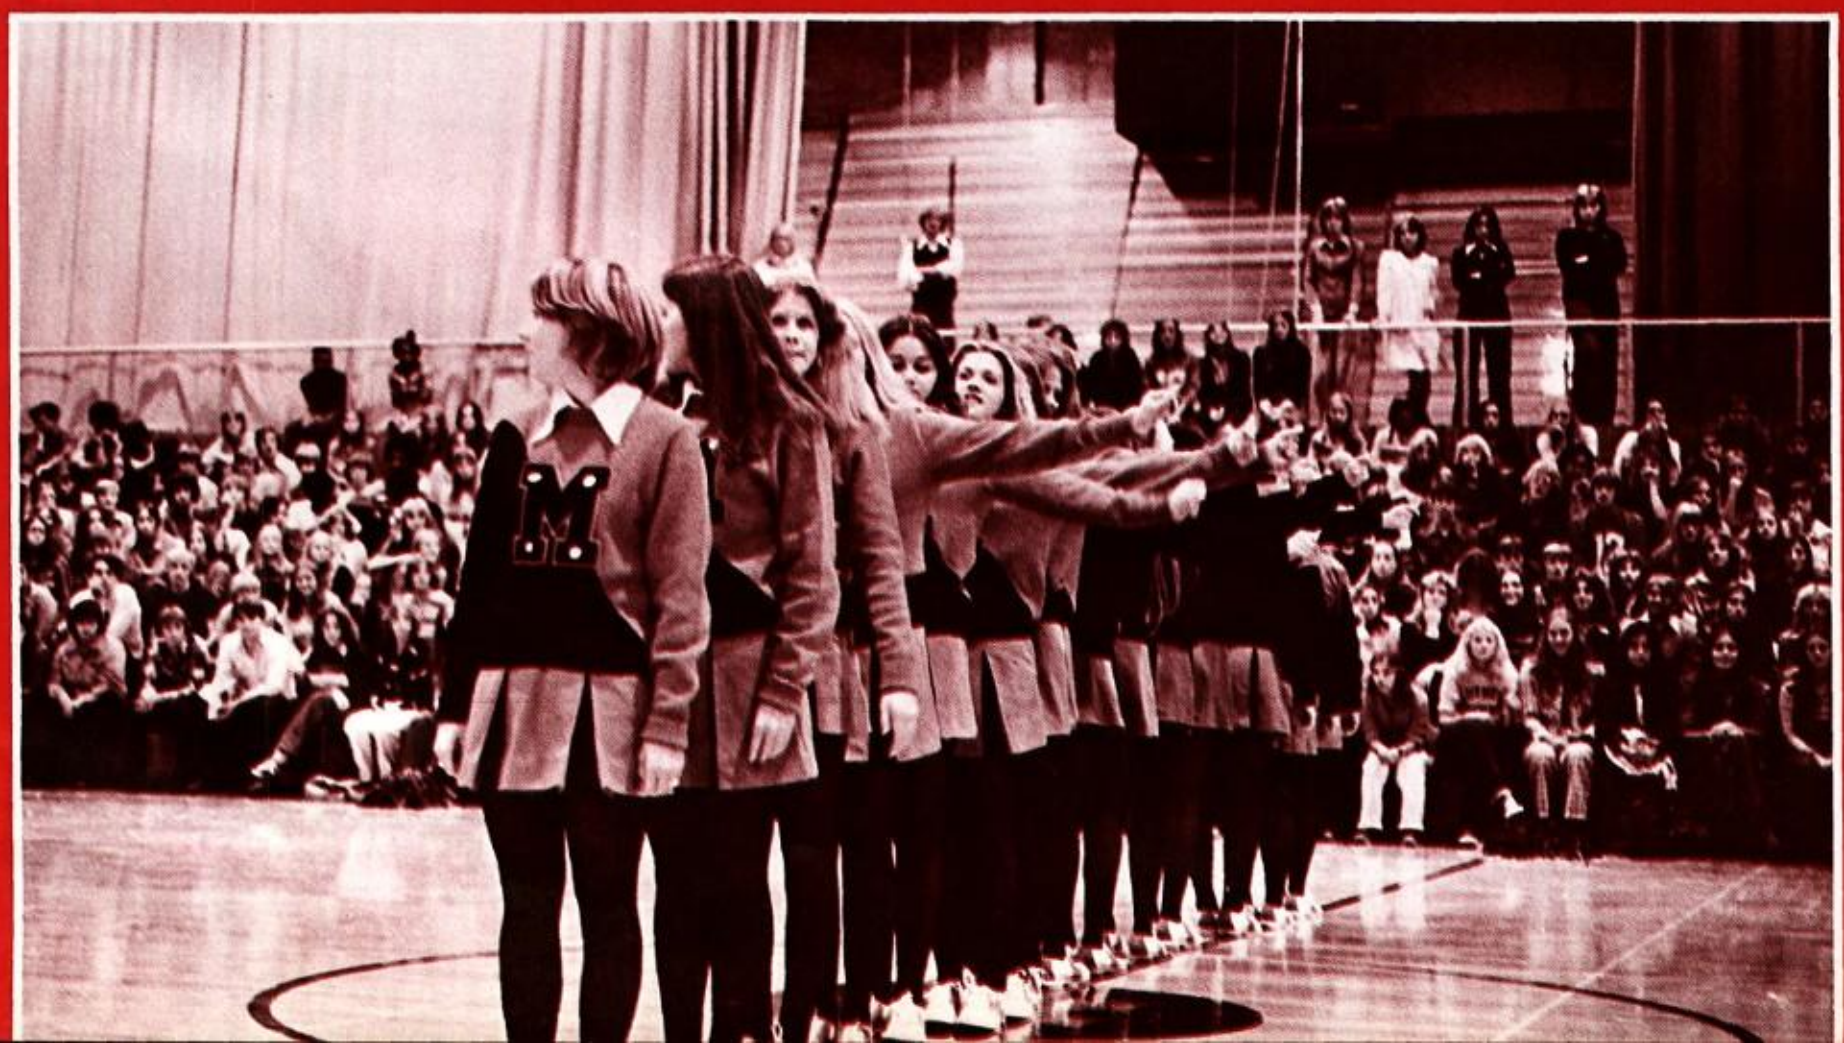
WATCH OUT — Betsy Elder enforces Mohawk power with a lively cheer.

Spirit on the move

Successful pep assemblies organized by the cheerleaders and the student council were held to honor our victorious Mohawk teams. The voluntary assemblies were all well attended and the spirit was exceptional. The students and faculty involved with the assemblies worked hard to generate this spirit. The activities varied from speeches by the coaches and team introductions to crazy antics and skits. Students enjoyed the assemblies tremendously and responded enthusiastically to the cheerleaders and teams.



UP WITH MOHAWK PRIDE — Sophomore cheerleader Susan Bobgan does her part in raising Mohawk pride.



MOHAWKS ON THE MOVE — Cheerleaders add pep and color to an action packed pep assembly.

To add life and variety to a popular student gathering place, students donated their artistic abilities to create paintings on the windows of the Commons.

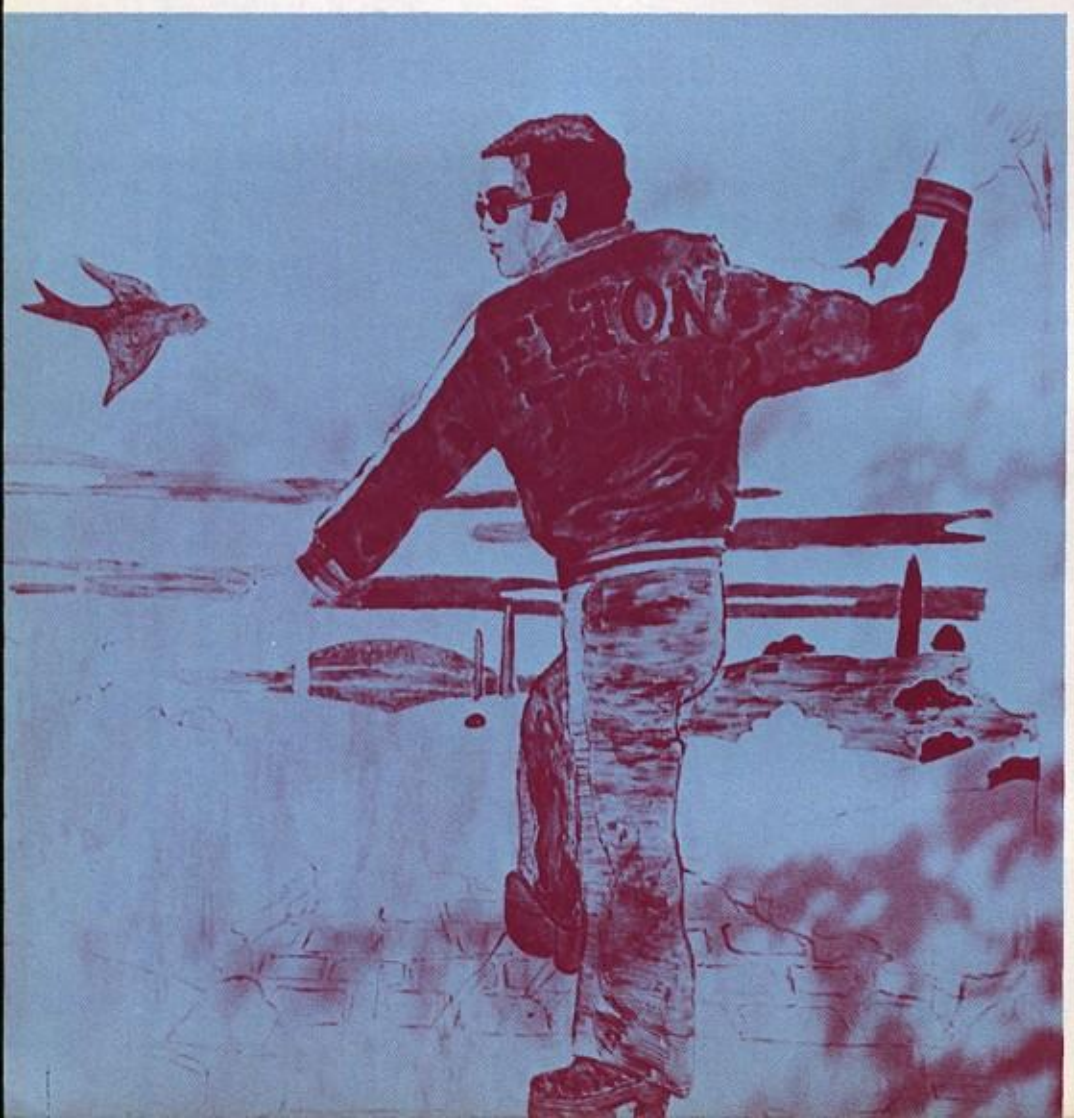
One painting depicted Elton John walking down his yellow brick road. Another painting reflected the national bicentennial theme.

Many hours of hard work were put into making our Commons a more colorful place.

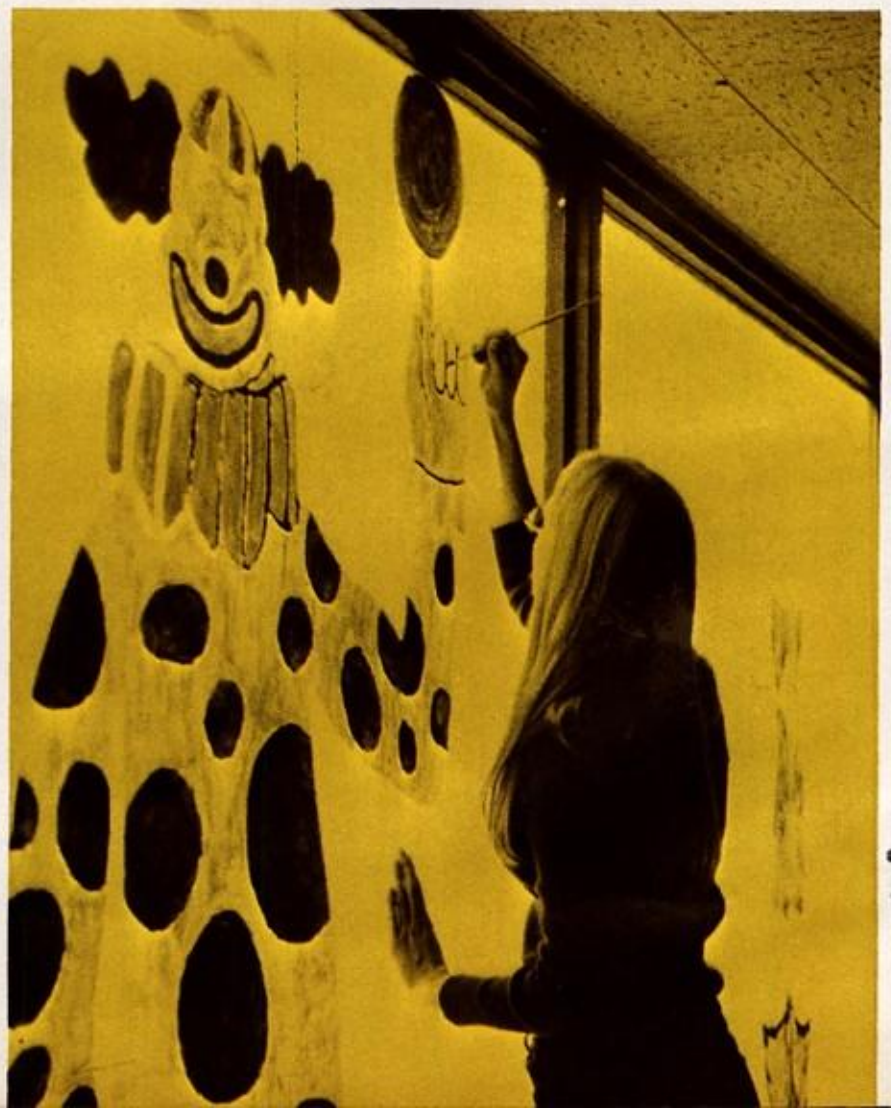
MIRROR, MIRROR . . . — Could it be his own face that Dave Lee is painting?

New color in Commons

"GOOD-BYE, ELTON" — One picture reflecting a sign of the times is a painting of Elton John.



FINAL TOUCH — Robin Rabe reaches high to paint the fingers of the clown.



What a year to be a senior!

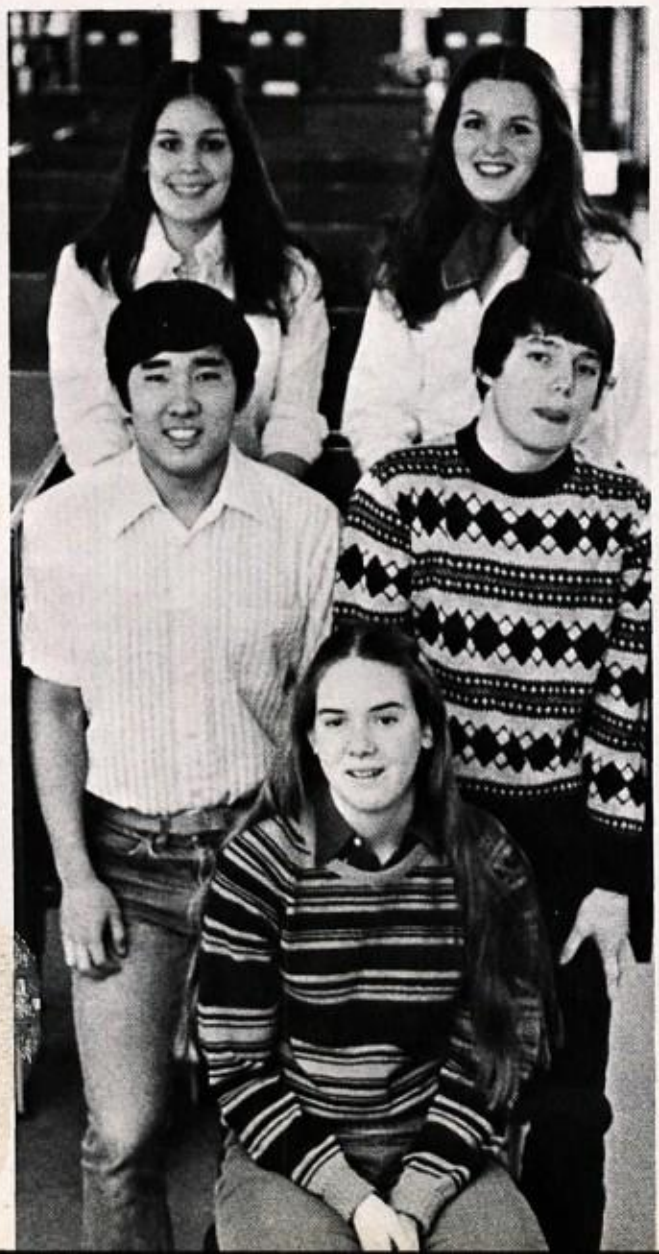
COMMENCEMENT SPEAKERS — FRONT ROW: Molly O'Leary. **ROW 2:** Kit Song, Barry Balduf. **ROW 3:** Ann Espinosa, Lisa Winston.



The 1976 Senior Planning Committee, with the help of Dr. John Patzwald and Dr. Carroll Bogard, devoted much time to the planning of the Bicentennial commencement activities on May 28.

This year the committee chose rich tan announcements with dark brown embossing.

"The Road Not Taken" was the theme discussed by speakers Molly O'Leary and Kit Song at the commencement ceremony. Barry Balduf gave the invocation. Ann Espinosa touched us with a song and Lisa Winston ended the event with a few words.

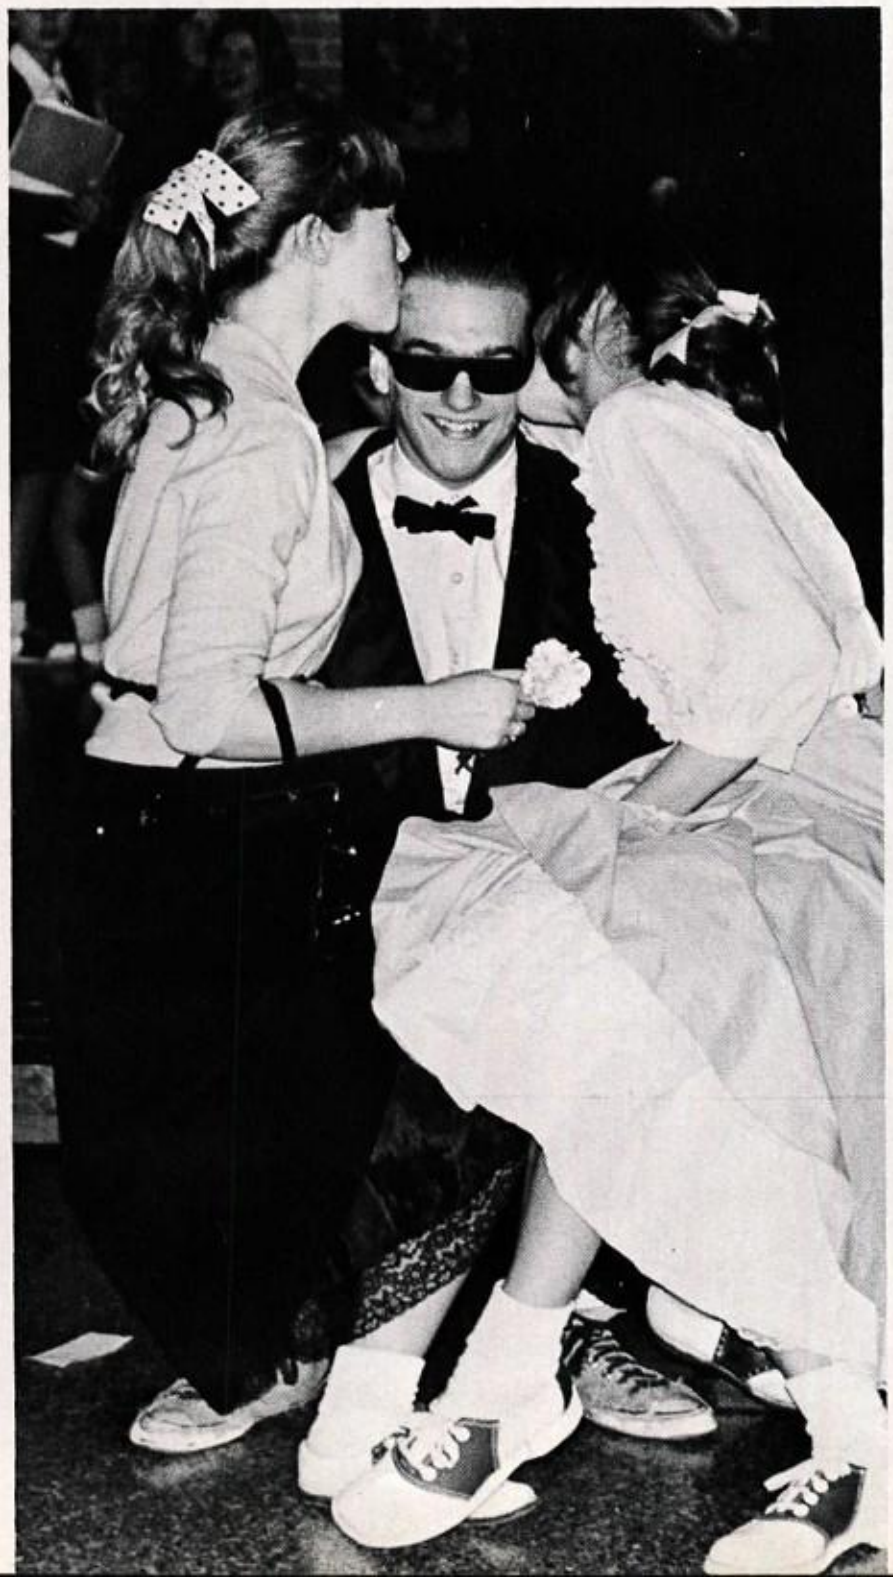
Happy days are here again

Fifties Day started rocking and rolling with bebopping music playing all day in the Commons. Guys and gals strolled into school with slicked-back hair, bright red lips, and wearing the going fashions of the time. Votes were submitted by the Student Council in a contest for everything from the skinniest belt to the pointiest shoes and the most kissable lips. That night, the mighty Mohawks fought a tough battle against Marshalltown in a close basketball game. Following the victory, all the cool cats rushed to the sock-hop to do some fancy jitterbugging to the music of the Black Jaks! The Black Jaks' great performance really sent the students back to the 50's. A jitterbugging contest highlighted the dance.

CHEERLEADING IS FOR THE BIRDS — Marilyn Ridder and Florence Smith show 50's spirit with the help of male cheerleaders.

CATCH YA LATER — All these fifties cats are ready to go cruisin'. Think the car will make it?

THE LEADER OF THE PACK — Mild-mannered Bobby Snyder keeps the Lords in line as Jerry Legreid looks on.



RIGHT ON — Jay Johnson shows his approval of the Mohawks at the game against Marshalltown.

THE CAT'S MEOW — With Patty Feikema and Chris Robino on his lap, Ross Barnett has it made in the shade.

BANJO BUMS — Playing blue grass music are Jim Huygens, Paul Boehnke and Joe Sampson.

IN A MOMENT OF SILENCE — Sheila Maifield is caught in the spotlight as she sings "I Cain't Say No."

ANOTHER OP'NIN, ANOTHER SHOW — The swing chorus puts everything into it, as they sing an opening number.

WHERE'S THE RABBIT? — The Great Stromboli Brothers, Jamie McCoy and Mark Heiser, enchant the audience with their display of magic.

No biz like show biz

The 29th annual Mohawk Follies were again a sell-out. The MCHS Vocal Music Department presented a variety of comedy, dancing, instrumental and vocal ability that thrilled the crowd and made the Follies a success.

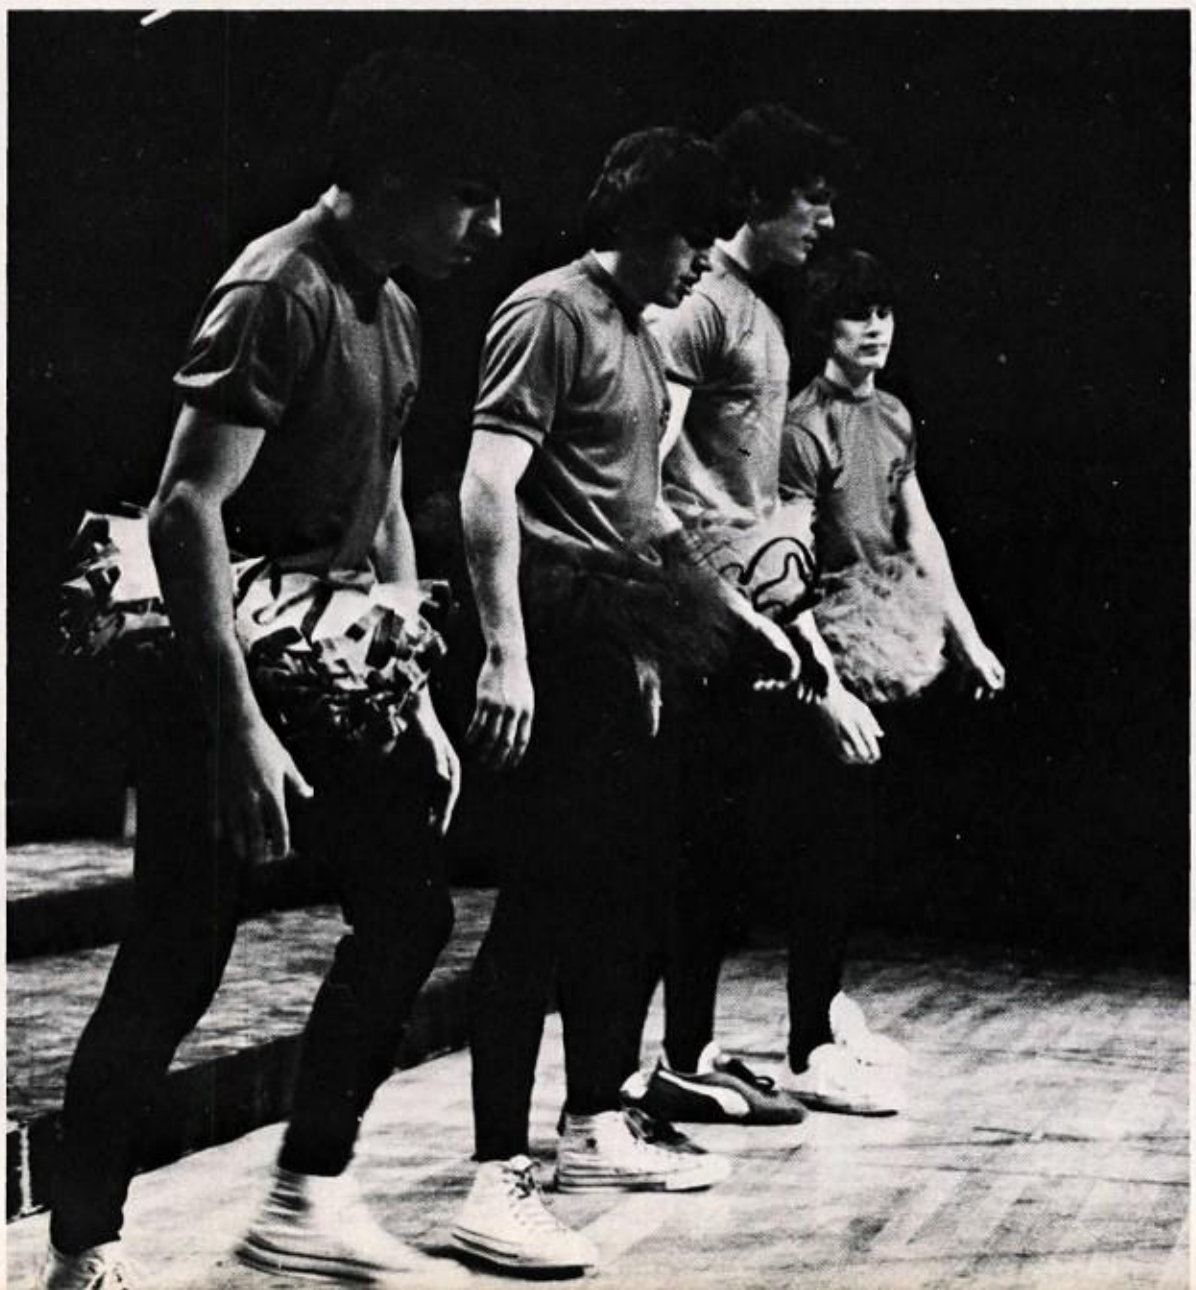
This year the Follies were presented on Feb. 26, 27, and 28 under the direction of Ron Phillips and Mary Lou Larsen. The Follies ran smoothly with the Swing Choir and Mohawk Chorale opening the show. The Jazz Band under the direction of Gil Lettow added some superb musical entertainment to the show.

Nostalgia and comedy were displayed in the Follies by Chris Biebesheimer, Molly O'Leary, and Patti Pickard in their rendition of the "Charleston." Rocking around the clock was Patti Pickard in a dance solo, and Tom Cahalan, Neil Garlock, Gary Foutch, Paul Giesman, Ken Plagge, Doug Rodemeyer and Doug Wolff presented their version of "Nutcracker Suite."

Mark Heiser and Jamie McCoy amazed the audience with their magical ability in the "Stromboli Brothers."

Music was certainly a big part of the Follies this year with solos by Sheila Maifield, Susan Kingrey and Joe Sampson. A double quartet sang "Pick-A-Little, Talk-A-Little," with the girls' chorus. To wind up the Follies, Mark Dean and Denise Hays had some "Friendly Persuasion" and Klay DeVries and Mike Boender sang "Dream On."

The people involved in this year's Follies had just as much fun as did the people watching it!



TWINKLE TOES — Tom Cahalan, Neil Garlock, Doug Rodemeyer and Ken Plagge display their dancing abilities in their act.

Anticipation

Reflections of the carnival lights streaked across the rippled surface of the lake. In bright reds and golds, they danced with the movement of the rides and music. The circle of gleaming yellow bulbs that was the ferris wheel turned methodically; its rhythm broken only when it slowed to a stop to let off passengers who were too far away to see. The pace of the carnival had been slowing down in anticipation of what I knew was coming.

Across the lake from points all around the edge, green and red lights skirted like water bugs. They converged in a small area on the water a few hundred yards out from the carnival. They, too, were waiting.

A breeze, heavy with the smell of lakewater, fanned my forehead as I sat at the end of the narrow dock. It was warm on this early July evening, but I had worn a sweatshirt and jeans to protect me from hungry mosquitoes. There was a sudden whoosh from the neighboring dock, and I turned quickly to see a fountain of holiday sparks pouring from a large roman candle. The banging of firecrackers came from every direction. Above me, a woman's voice questioned if that wasn't illegal, and my grandmother called to anyone who was listening, "Be careful on the dock."

Then I saw what we had all been waiting for. It was faint, almost unperceptible ... an upward trail of dull orange against the blue-gray twilight. As if on a signal, it exploded into a huge chrysanthemum of greens, blues, reds, and golds, shimmering down on the red and green lights of the boats below it. There was a chorus of oohs and ahs from behind me. There was a moment's pause, then a low dull boom followed by the blaring horns of the many pleased boaters who had gone out to watch the spectacle of the fireworks on the Fourth of July. The glittering explosions continued for about half an hour, none as spectacular as the very first, the one that will remain in my mind until the first one of next year.

BELTING ONE OUT — Dave Mujica, Richard West, Jim Menges, Kevin Berry, and Tom Marreel work on rich bass and tenor blend.

The Concert Choir was kept busy performing all year, and the hours of long, hard rehearsals were well worth the effort. The highlight was an invitation to perform in the Dorian Festival at Luther College in January. Luther's choral director, Weston Noble, praised the concert as one of the finest by an honor choir in years. After the Dorian, the more relaxed atmosphere of preparing for the Mohawk Follies was a welcome relief, but there was still much hard work to be done. Among the other activities members of the choir participated in were All-State, Christmas concert, home and state contests, and the spring concert. A spring tour was also planned for southern Iowa.

Chorale goes red, white and blue

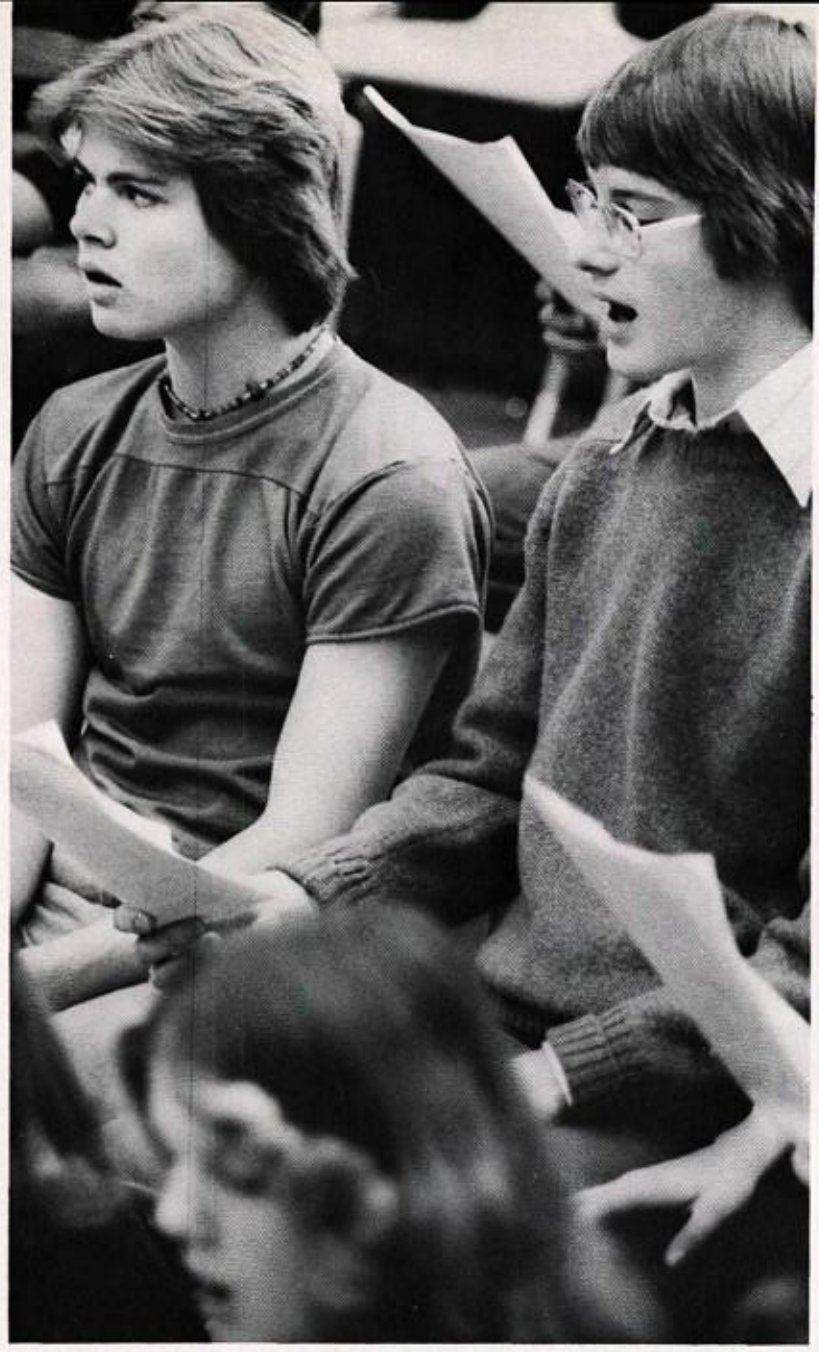
Mohawk Chorale is a small, select group of singers chosen by auditions from the Concert Choir. Members of the Chorale are chosen not only for their vocal ability, but also for their facial expression and ability to communicate with an audience.

This year the Chorale's audience appeal was given an additional boost by the purchasing of new outfits — red, white, and blue in accordance with this bicentennial year.

The Chorale appeared before the student body, performed with the Choir at the Dorian Music Festival, and played a major role in the Follies. They also sang for several civic organizations.

HAND IN HAND — The Mohawk Chorale finishes a song with a flourish.



TEMPERAMENTAL TENORS — Joe Sampson gives Miss Larsen the "evil eye", unnoticed by Paul Boehnke.

The 110-voice mixed chorus, under the direction of Mary Lou Larsen, performed in the Christmas and spring concerts. They also sang for the three junior highs, and many members sang in ensembles and had the opportunity to take private voice lessons.

Included in the sophomore vocal music program were the mixed chorus, sophomore girls' glee club and the sophomore singers, a select group of 28-30 singers who sang for various community events.

TUNEFUL TRIO — Barb Bogard, Melanie Nelson, and Kim Simmons, vocalize.

Participants enjoy success

Although Mason City didn't send as many representatives to All-State as in previous years, what they lacked in numbers they made up in talent. Among the challenging numbers they performed was "The Cherubic Hymn" together with the All-State Chamber Orchestra.

1975-76 was the first year for the Junior-Senior Girls Glee Club, under the direction of Mary Lou Larsen. With forty-five members, the girls sang in both the Christmas and spring concerts.

Mason City's instrumental department was very proud and honored to send twenty-nine highly talented and qualified musicians to Ames for the All-State festival.

November 21-22 was the big weekend in Des Moines and Ames where tedious practices led up to the grand finale concert on Saturday night in the Hilton Coliseum.

The concert was televised over IEBN. The All-State fesitval was a great experience for all who had the honor to go.

The symphonic band again upheld the true River City band tradition. The band was the sole high school band invited to perform at the National Band Association National Convention, a convention attended by bands and directors from all over the nation. The band went to Iowa City to participate in the U of I Band Clinic. They worked hard during many rehearsals, and their diligence paid off. Band members not only improved their technique, but they also had fun with music.

Clarinets of ev'ry size and trumpeters who'd improvise . . .

All sophomores in the high school band program were members of the Concert band, under the direction of Mr. Lettow. The Concert band provided sophomores with an opportunity to play in a smaller group in which each part was exposed and important. These musicians enjoyed their rehearsals and two yearly concerts, and they enjoyed the feeling of accomplishment that came from having done something well.

UM-PAH-PAH — Tim Behm pumps out the bass line during a band rehearsal.

Beethoven's pride and glory

An exceptionally strong violin section helped Dennis Root's orchestra attain a very fine sound; probably one of the best overall sounds that the orchestra has had for several years. The orchestra pleased large audiences at their well-attended concerts, and the full orchestra entered the state contest. Nine string members of the MCHS orchestra participated in the All-State festival.

WORLDS AWAY — Jan Nutton finds that concentration pays off during orchestra rehearsals, but concentration on what?

FIDDLIN' CAN BE FUN — Cindy Borcherding, Barb Dahl, and Kristin Jaeger string along with the orchestra.

Razz-ma-tazz jazz

The MCHS Jazz Band, under the direction of Mr. Lettow, had another superb year. Long hours of hard, tedious practices brought thundering applause and standing ovations at their concerts.

The jazz band had a busy, activity-filled year. Along with regular concerts, they toured local schools, performed in the Follies, participated in the Tall Corn Jazz Band Festival, and were in contest in Jefferson, Iowa. In May they performed in concert with Dick and Sue Oatts.

It was a jazz band full of razz-ma-tazz.

SLIDE, TROMBONES, SLIDE — Trombones slide to beat the band during jazz band rehearsal.

Bands please spectators

RAH-RAH-RAH — Pep band participants please spectators at sporting events with their enthusiastic tunes.

EAT 'EM UP, EAT 'EM UP — Saxophone and trombone players put forth their best during a pep band appearance.

Once more in the never-ending tradition of vibrant Mohawk spirit, our marching band and pep band combined to bring enthusiasm and excitement to football games and the winter sports.

During the football season, difficult and intricate steps put together by Mr. Dean and Mr. Lettow were practiced every morning by the marching band. The hard work of the band members produced spectacular half-time shows.

The pep band boosted the spirits and brought vitality to the crowds at basketball games, wrestling meets and pep assemblies.

LEFT, RIGHT, LEFT — Football game halftimes were sparked by intricate routines executed by the marching band.

'Twelfth Night' done with class

A COMMANDING AIR — Steve Erdenberger gives orders to Mindy Porter, believing her to be his manservant.

NO WAY TO TREAT A LADY — Joe Sampson turns away from a bewildered Lugene Hoskins.

WHO'S THE FOOL? — Jester Kirk Findley mocks Pete Russell, imprisoned on an insanity charge.

FACING IT LIKE A MAN — A disguised Mindy Porter prepares for battle

DIALOGUE IN DARKNESS — A silhoutted Mark Heiser advises Joe Sampson.

SETTING THE TRAP — Pete Russell naively reads a counterfeit love letter, while Mike Kuehn, Gary Krapek, and Bill Fankell watch anxiously.

For its fall production the MCHS Drama department presented "Twelfth Night," a Shakespearean comedy. The large cast was attired in authentic Shakespearean costumes designed by director David Giese and Tammy Otten. The elaborate costumes were offset by the somewhat simple set. Talented actors handled the difficult dialogue well, and the play was warmly received by the audience.

Chamber Players promote bicentennial

The 1976 Chamber Players, caught up in the bicentennial spirit, updated their costumes and performed patriotic material such as "The People Yes" by Carl Sandburg and "American Was Promises" by Archibald MacLeish. Under the direction of David Giese, the group received Division I ratings at both the district and state level of the Iowa High School Speech Association Large Group contest. They were also awarded an Outstanding Performance, which enabled them to participate in the Super State contest February 21 at Simpson College. The Chamber Players also toured the elementary schools in December, performing such favorites as "How the Grinch Stole Christmas." Other performances included the Friends of the Library and the Rotary Club.

Debaters prove their points

MCHS debate team posted an excellent season. The squad was composed of ten first year debaters and veterans Randy Brenton and Grant VonWald.

The team added four "new" trophies placing first Novice at Spencer, first Varsity at Charles City and St. Edmund's Fort Dodge, and second Varsity at Fort Dodge Public. Other meets included: Britt, placing third in Varsity; Waverly, placing third in Novice; Cedar Falls', Coe College; Cresco; and district competition at East Waterloo.

Participating in district championship-style competition were Randy Brenton, Grant VonWald, John Sandage, David Robino, Margaret Hutchens and Steve Blaas.

Individual and undefeated team awards through the season went to John Sandage, David Robino, Grant VonWald, and Brad Curran.

10-4 . . . Speaking loud and clear

Mr. Giese led another successful year in the speech department. Twenty of his students qualified for membership in the National Forensics League.

It was an outstanding year in the area of oral interpretation. Mason City placed in the top three finishers in all contests entered. Oral Interpreters included Mindy Porter, Steve Erdenberger, Jenny Bergo, and Margaret Hutchens. Nine semi-finalists succeeded from MCHS in the Mohawk Oral Interpretation Festival.

Other meets entered by Mason City were the Tiger Tournament in Cedar Falls, the Iowa High School Forensics League in Iowa City, the St. Edmunds Speech Contest, and an individual events district held at Clear Lake at which Mason City advanced eighteen Division I ratings to state at West Waterloo.

Three duet actings received outstanding in the Iowa High School Association. Their performances were recognized, and they were invited to participate in the All-State Festival.

The Mohawk Press ran through its seventh year in print under the determined leadership of Barb Hansen, editor, and Neil Puhl, advisor. Patty Elbert was always willing to type the numerous articles that made up the weekly Mohawk Press. The papers were distributed every Friday morning in each homeroom.

This marks the second year the Press has been free of charge due to the advertisements from local businesses collected by Greg Grupp.

Special sections included: Ted Winters, Mitch Anthony, Jon McCuskey, and Penny Knutson on sports; Ann Flaherty, Kelly Steinberg, Sue Shaver, Carla Gibbs, Laurie Ficken, and Bill Maginnis as reporters. Columnist Lisa Winston added her part in bringing out student opinions at MCHS.

PHOTOGRAPHY STAFF — Allen Johnson, Linda Faille, Charlie Schlosser and Stephanie Borchardt, are on the other side of the camera now.

MCHS had a fantastic photography department. The photography class and photography staff combined their efforts to meet the deadlines of the Mohawk Press and Masonian. Through the hurried assignments they came out with some fabulous shots of various activities throughout the school.

The photography class under the guidance of Bob Henningson, set up their own studio and practiced different darkroom techniques. Individuals in the class had their talents displayed on the office bulletin board.

Stephanie Borchardt, Charlie Schlosser, Linda Faille, and Allen Johnson captured much of the MCHS spirit in their photos. The staff's dedication to their job helped in the success of the Masonian and Mohawk Press.

. . . with a capital 'T' that rhymes with 'P' that stands for Puhl . . .

The bicentennial theme was worked into the book with the theme being 76 Trombones to coincide with 1976 and River City.

Deadlines posted months ahead never meant much to anyone until a week before. Advisor Neil Puhl and co-editors Kathy Borcherding and Judy Phalen at once began to give section editors a slight push to get things going. Late hours at night and long hours on Saturdays were what it took to pull the pages together.

Last minute reverse prints and reprints kept the photographers climbing up the walls, but they pulled through all in their line of duty.

All in all, we mixed in a little fun, a bit of yelling, a few headaches, and a lot of work, and came up with the 1976 Masonian.

CHARTER MEMBERS

Their numbers ranged from a handful to a roomful, but despite the difference in membership, their reasons for gathering were alike.

Each club met to share common interests and better themselves by their participation in a special field. Chosen leaders directed regularly held meetings, each meeting being of equal importance in the success of the organization.

Fire up!

Fire up! The MCHS cheerleaders were able to add more pep and enthusiasm this year because the squads were enlarged. The sophomore squad was increased by three, and fourteen big mouths made up the varsity squad, allowing for better representation of each sport.

For those of you who think that cheerleading is all pom-pons and splits, the girls also organized several pep assemblies for each season's sports. Practicing twice a week and attending up to four games or meets per week kept the girls in constant hoarseness and kept MCHS fired up.

Members participated in other activities — serving as mat maids and adding color to the Memorial Day and Band Festival parades. During the months of January and February they conducted a Drill Team Clinic sponsored by the YMCA for prospective members.

The team was also honored by an invitation to Lamoni, Iowa, for competition in Miss Drill Team USA.

YOUR ATTENTION, PLEASE — Members listen intently to the humble words of Jay Hagen.

The Student Council had a very active year. In addition to organizing the homecoming events and Junior-Senior Prom, members took trips to Des Moines and Minneapolis to visit other schools in hopes of finding solutions to our various problems at home.

The council gave the Christmas Cheer fund donation from MCHS a big boost by selling candy canes at the student counter and raising the price of cookies a nickel.

Under the guidance of officers Jay Johnson, Vanessa Hazlett, Ann Espinosa, and Nancy Dutcher, the council formed many committees to get such things as informal dances and pep assemblies for the student body.

Pep club took on a new name with the arrival of M-Thusiasts. Under the direction of Mrs. Beck, a large number of the student body became members and MCHS was hit. Football games had a roaring cheering section and signs of all shapes, colors, and sizes were posted in the Commons. A lot of hard work went into the M-Thusiasts, and due credit goes to Mrs. Beck and her six M-Thusiastic helpers. They were Chris Klemas, Heather Nielson, Cindy Larson, Connie Blake, Jennifer Scott, and Lynn Herlitzka.

M and M clubs have spirit

MOHAWK POWER — Tom Dunn tries to interest Steve Steinwandt in buying a Mohawk muffler.

In January, the M-Club (alias the Cross Country Team) decided to do their part in adding school spirit to MCHS. Their efforts paid off, because shortly thereafter red Mohawk mufflers and hats were spotted around town. This project proved profitable for the M-Club, along with adding to school spirit.

Thespians have busy year

Thespians were active on city, state, national, and international levels. Mason City's Troupe 1326 had a busy year.

The worked hard to perform "The Twelfth Night," a Shakespearian comedy, under the direction of David Giese.

On February 7, MCHS Thespians hosted the state large group contest. Many Mason City students ranked high in the competition.

Troupe 1326 was invited to perform at the international convention in the summer.

Candy sales were held at the student counter after school to aid in funding for the group.

One formal initiation was held for new members.

T.A.B. (Thespian Advisory Board) worked with Mr. Giese to plan the year's activities.

International Club! One of the most interesting clubs at M.C.H.S. It's objective — to promote better understanding with other countries through their students.

At the monthly meetings each of the exchange students gave a delightful and informative presentation about his country and maybe a bit about himself.

The club sold Christmas cards and held bake sales to raise money to sponsor the highlight of the year — International Weekend which was the 19th and 20th of March.

Officers were: Chris Biebesheimer, president; Tammy Otten, vice president; Beth Hollander, secretary; Karen Boyenga, treasurer; and Judy Phalen, historian. John Fonkert and Nadine Hansen were sponsors.

Exchange students were: Kristi Jaegar, Norway; Mike Roe, Denmark; Frank Bulcke, Belgium; Thang Ton, South Vietnam; Sandra Contreras, Guatemala; and Annie Moilenan, Finland.

Literary Club reads classics

Literary Club members started out the year by reading and discussing the classic, "Gulliver's Travels," by Jonathon Swift. The group was surveyed according to interest regarding the type of novel they would like to read — classics dominated their decisions.

A new novel by Robert Cormier, "The Chocolate War," relating the story of a high school student who ponders the question of "Do I dare distrub the universe?" was the most contemporary work analyzed by the club.

Advisors for the group were Helen Bishop, Dale Harmon, and Barbara Melander.

Model U.N. had another successful year at MCHS. The forty members, made up of tenth through twelfth graders, represented the three countries of Japan, Thailand, and Turkey. The representatives met once a week to debate current issues. They had thirteen topics to discuss, such as the trouble in the Middle East and the women's movement.

On April 8-10, the Mason City delegates met with other Iowa U.N. members in Cedar Falls to debate and solve current world problems.

The group was advised by Miss Craft and Mr. Tieszen.

Quill and Scroll initiates 19

Several promising journalists participated in initiation ceremonies of Quill and Scroll, an international honor society for high school journalists.

Members are generally seniors in leadership roles on the Masonian, Mohawk Press and photography staffs. The organization was founded in Iowa in 1926 by a group of high school advisers. There are now more than 4000 chapters all over the United States and world.

This year's chapter of Quill and Scroll was composed of 19 members, including holdovers Stephanie Borchardt, Patty Elbert and Barb Hansen.

ANY IDEAS? — Carla Hulsing and Jane Stephenson wait for a D.E.C.A. meeting to start.

Again this year many students participated in the Distributive Education program of marketing, management, and merchandising. Three clubs were formed — Blue, Gold, and Diamond.

D.E. students were involved in each of the three phases of class, OJT, and D.E.C.A. Each student also had a job.

The junior businessmen participated in a number of sales projects throughout the year on the area, state, and national levels. Highlights of the year were the State Leadership Conference held in March in Des Moines, which advanced several students to the Career Development Conference in Chicago.

Students show high interest in FFA

FFA this year had a membership of 26, the largest ever. They met once a month for either a business meeting or a party. Last fall and spring they held a trail ride and campout. They sold almost 350 boxes of grapefruit and oranges to sponsor their activities.

On April 16, 17, and 18, they attended the state FFA convention in Waterloo. Mr. Shadle advised the group throughout their busy and successful year.

Health Club visits Mayo Clinic

Health Club had a very busy year. They met two times each month. The first meeting was a business meeting and the other was a field trip. They visited Mercy Hospital, exploring the different health areas. Gerard School and the Red Cross were also visited.

The highlight of the year was the trip to Mayo Clinic in Rochester. The group looked at the museum and toured the hospital.

During their meetings, guest speakers were featured or the students worked on their in-depth study of the Winnebago River. One of the highlights of the year was the spring campout at the Mississippi to study ecology.

Some students join clubs for pleasure with the least amount of work involved, the Computer Club combined both. Much brain power was involved in writing a computer program, and often contests were held to determine who could write the best programs. The Computer Club also sponsored a class twice a week to acquaint novice students on the workings of a computer. A tentative trip to Iowa City was planned to view the computer system there.

VICTORY AND DEFEAT

Throughout the course of the year, champions have been built before our eyes. Each and every person who participated in the defeat of our rival schools and each and every person who cheered these participants on has lent a hand in the construction of a parade of champions.

Individual efforts combined to form teams of mighty Mohawks which, along with the support of spectators, was all that was needed to celebrate victory or face defeat, knowing we had done our best.

Mohawks win district crown

The 1975 Mason City baseball team finished the season stronger than what was expected, missing a berth in the state Class AA tournament by one game. They finished with a respectable 22-14 won — loss record which included a 10-0 romp over Iowa Falls for the district title.

The Mohawks demonstrated marked improvement from last year's 11-18 record. The main reasons for this turn around can be seen in the improved hitting, pitching, and fielding of the Mohawks.

Greg Zirbel developed into a fine first baseman, who committed only one error, and a pitcher with a 12-5 record and a 0.93 earned-run average, including a no- hitter. Jon Heiny was named all-Big Nine Conference first team catcher for his excellent defensive playing and hitting. Outfielder Mick Secory also provided the much-needed power at the plate as he led the team in hitting with a .356 batting average. Rounding out a tough batting lineup were: Zirbel (.330), right fielder Mike Ames (.325), Heiny (.321), shortstop Ron Pearce (.277), first baseman Bill Thomson (.255), and sophomore third baseman Scott Marrs (.209).

The Mohawks utilized this fine talent throughout a rugged schedule which averaged three games a week. The diamondmen opened the season with a strong 7-1 win over Rochester Mayo. Bob Mauricio was the hitting standout in the game as he had two hits, a double and a triple. After two defeats, the Mohawks evened their record to 2-2 with a win over Clear Lake. The game went into extra innings with Zirbel belting a homer in the eighth to clinch the victory. The Mohawks then registered a relatively easy 10-8 victory over Newman, as the Mohawks exploded for ten runs in the first three innings.

The maturing Mohawks began Big Nine Conference play with a doubleheader sweep of Newton. Seniors Brad Knowler and Zirbel pitched the victories. The Mohawks had a field day with 22 hits in the twin bill. Coach Thomson's club then stretched their winning streak to four with a 5-1 victory over New Hampton in a non-conference game.

The Mohawks then returned to Big Nine action spliting a pair with Cedar Falls. The second game saw Knowler pitch a three hit shutout. After a 7-1 victory over Northwood, the Mohawks split another pair with Ames. Senior Bob Kantaris was credited with some excellent fielding for the Mohawks at second base.

Against Marshalltown Zirbel pitched the first no-hitter for the Mohawks since the 1972 state championship season. Zirbel fanned ten Marshalltown batters to give the Mohawks a 7-0 win. A following 4-3 win over Central Waterloo found the Mohawks tied for second in a hot Big Nine race, facing leader Fort Dodge next.

Coach Lowell Thomson employed some new tactics in the Fort Dodge game. The Mohawks used seven infielders and two outfielders to hold

WHAT D'YA THINK? — Coach Thomson and members of his varsity baseball team discuss strategy during a night contest.

off a possible scoring threat.

The strategy almost worked as the Mohawks held the powerful Dodgers to one run.

The Mohawks came off the defeat and started building momentum for district play, scoring consecutive wins over Clear Lake, Algona and second wins over a tough Bancroft team and Newman.

For the three district games the Mohawks exhibited their best performance all season. The Mohawks outscored their three opponents 34-0 in tournament action. Mason City took only 4 ½ innings to rout Clear Lake 17-0 in the first game and followed with a 7-0 victory over St. Ansgar, topping it off with a 10-0 shellacking of Iowa Falls for the district title.

Jon Heiny provided a superior defensive showing in sub-state action against Decorah. Decorah went on to win the hard fought game 3-0. But the Mohawks have a lot to be proud of as they finished with more wins for a Mohawk team in three years.

Coach Lowell Thomson will enter his fourth year as coach with a strong nucleus returning. He has six returning lettermen, all of whom were starters. He also has talented sophomores moving up from a successful fresh/soph team, that finished with a 25-9 record.

Through the exceptional coaching of Chuck Nichol and assistant coaches Gene Balk and Bob Bye, Mason City's mini-Mohawks had a fantastic season. Helping pull a 6-2 record were many superb players. Some of the outstanding players were: fullback — Brian Randall, halfback — Frosty Ward, tackle — Ron Wagner, both defense and offense, defensive end — John White, defensive halfbacks — Ron Ewing and Larry Bolding, offensive halfback — Neal Mentink, and defensive noseguard and tackle — Jim Huygens.

These players as well as many of the rest of the 37-member squad, will be a great asset to the varsity squad next year!

Mohawks take fifth in Big Eight Conference

Bad luck seemed like the only type of luck the Mohawk football team received throughout a frustrating season. The Mohawks' 3-6 record is very misleading, considering the talent of a senior-oriented team. In all the conference games the Mohawks were usually leading going into the second half. But, either a fumble or a penalty or just about anything that could go wrong did and happened at the worst possible time.

Injuries also plagued the Mohawks as two senior starters were lost for the season in early games. "Jitterbug" John Hammen carried the pigskin only two times in varsity action before he was the victim of a broken leg in the season opener. One game later defensive stalwart Mike Lashbrook's knee substained torn cartilage that left him out of action for the remainder of the season.

In culmination for the fine effort put forth, five Mohawks were awarded recognition at the close of the season. Senior fullback Dave Cooklin was named to the second-team Big Eight offensive team and also to the Des Moines Register's Honorable Mention team. Paul Giesman, Dave Langhoff and Don Walker were recognized on the all-Big Eight first team, while Jay Hagen was placed on the second team.

The Mohawks ended up in a three-way tie for fifth in the Big Eight with Fort Dodge and Marshalltown. The Mohawks opened the season with a defeat against a strong Albert Lea

team, but fought right back with consecutive wins over three respectable teams.

Mason City kept the long string of wins over Charles City intact with a 20-12 score. Ames was the following victim for the Mohawks, as the inspired gridders shut out the Little Cyclones out, 28-0. Mason City was the first team to accomplish this feat in five years. Marshalltown proved to be the last win of the year for the Mohawks as they posted a 21-7 score for their final taste of victory.

Then the roof caved in on the Mohawks as they unfortunately dropped their next five games.

Five fumbles ruined a 10-6 halftime lead over East Waterloo as the Mohawks bowed 18-10. The next disappointment for the Mohawks came against West Waterloo. The Mohawks outgained West 307 to 227 on the ground and had a 10-0 lead in the fourth quarter. But things went sour and with only 19 seconds to play the Wahawks pulled ahead to win 14-10. In the season finale the Mohawks displayed a fine defensive showing against an explosive Central Waterloo team. A blocked extra point was the margin of victory for the Chargers, the first after fourteen in a row by Tom Cahalan.

Maybe a quote from the late Vince Lombardi can summarize the Mohawks dismal season: "You never lose, the clock just runs out on you."

Harriers capture third in state meet

The cross country team had another fine season, finishing third in state compared to fourth last year. This year's team "gave an outstanding performance," according to coach Dave Long. "We ran better this year than did the state champions of two years ago; it's just that some other teams have really come along."

When one considers there were 20 or 25 schools competing together in some meets, our harriers really did quite well. In the Charles City Invitational, the team missed the top spot by a mere two points!

An average work-out for the long-winded fellas was 6-7 miles. To break the montony, workouts were run at several different places. These included East Park, Highland Golf Course, and even to Portland and back.

The top three winners were: Mark Young, a senior; Scott Wulfekuhler, a junior; and Eric Larson, a senior. There seemed to be upcoming power in sophomore Bob Holt, who was the number four man.

After the state meet, the team and coaches camped out for a weekend at the Shell Rock Preserve. Asked if the team ran over there, Coach Long replied, "No, it was after state. We were done running."

PUFF, PUFF, PUFF — Top man Mark Young moves out, vying for a high-placing finish.

Winning streak comes to an end

The Mason City High girls swim team got off to a cold start this year, literally. Work-outs were conducted in the municipal swimming pool for 2½ weeks after school had started. Just as they started to turn blue permanently, the remodeling was completed at the John Adams pool and the swimmers moved in.

With a new ceiling, starting blocks, lane markers, and swimming suits to spur them on, they breezed through their first four meets. Impending danger was ahead, though. The word was out that the team's snowballing win record might be halted by powerful Fort Dodge. The word proved true, and with only two losses behind them in four years, coach Colville upped the workouts a thousand yards to keep it that way. The hard work paid off in the lowering of several people's times by impressive seconds, but the Mohawks still fell prey to state-contender Cedar Falls and again to Fort Dodge.

Some key performers for the Mohawks were: Sandy Swanson, Christy Holland, and Jean Wass in the freestyle events, Jennifer Peck in the breaststroke, Shelley Meggers in the backstroke, and arch rivals Mary Erickson and Sue Hagedorn in the individual medley and the 100-yard butterfly. Of these, Meggers is the only senior.

Next year's squad will have a strong nucleus returning and hopefully many new recruits to give "Will's Gills" the needed depth for another winning season.

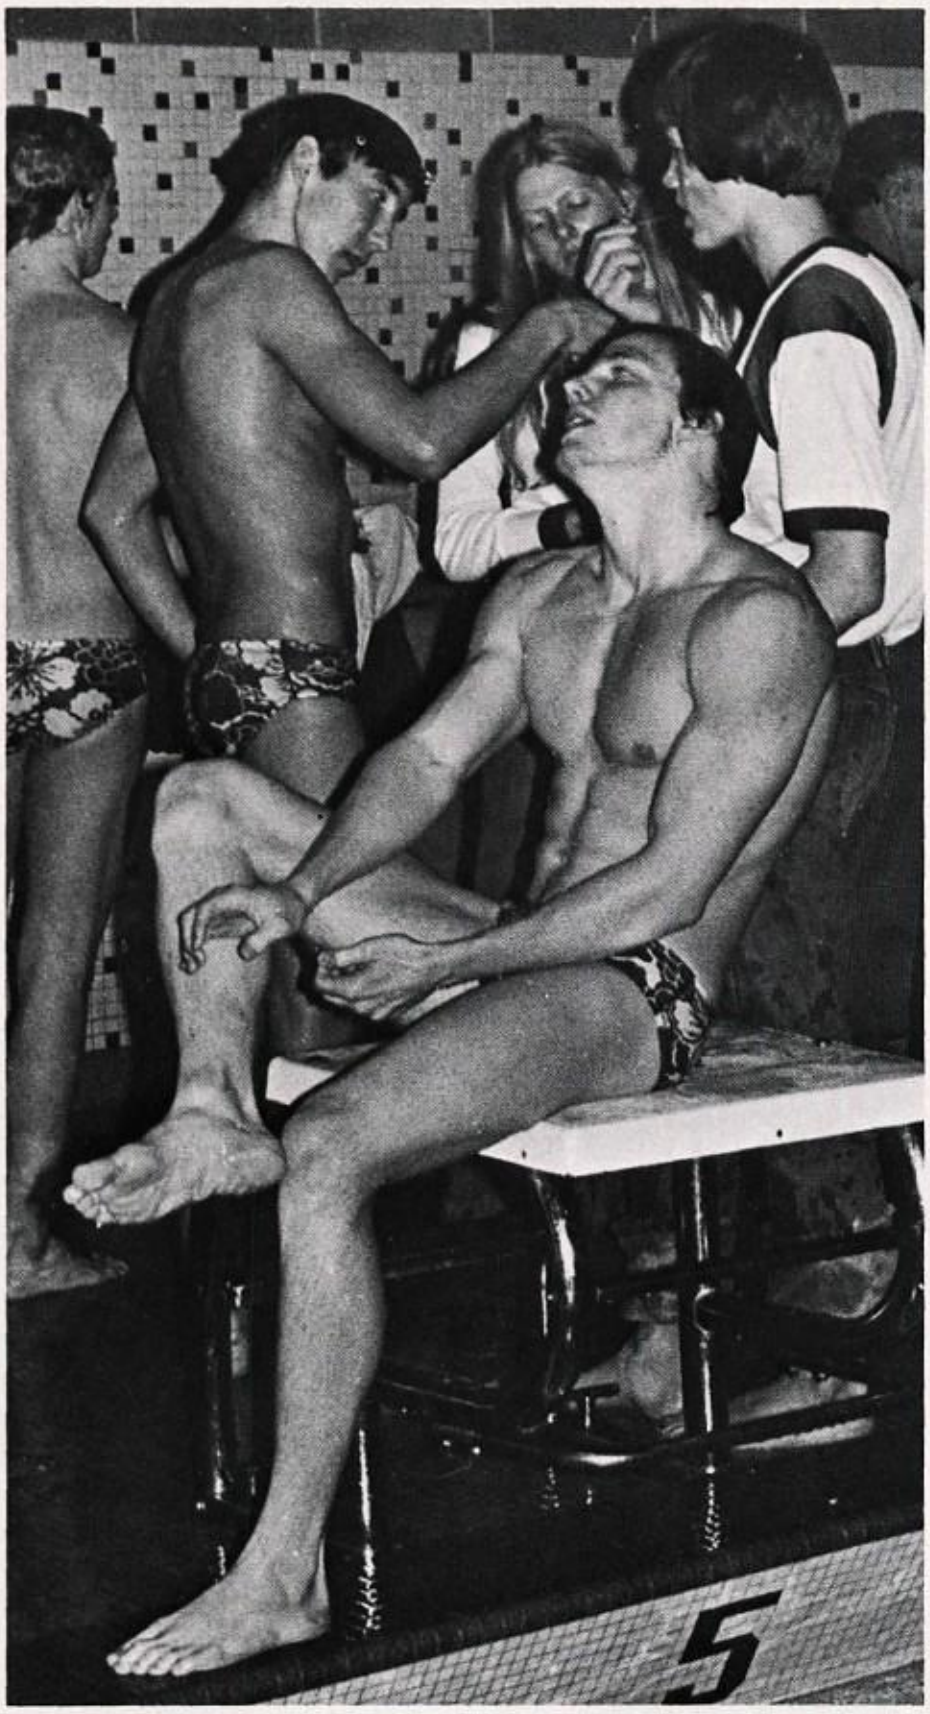
Tankers take state runner-up



AGONY — Breaststroker Dean Neff attempts to catch his breath after swimming his leg on the medley relay.

The Mohawk tankers finished their season with an 11-0 mark. This was the first time they ever had an undefeated season. Few teams ever gave the swimmers much trouble. Ames and Cedar Rapids Washington might be the only exceptions. At the Ames relays, the Little Cyclones pulled through for a victory in the final event. The table was turned at the Fort Dodge Invitational and the Big Eight Conference meet as the Mohawks came home with championship trophies.

As far as being runner-up in state, Coach Willis Colville wasn't too unhappy. "This is the best team we've ever had. All events considered, the 100-yard breastroke is the only one that wasn't faster this year than last."

When asked about next year, Colville replied, "We should be pretty tough. We'll be a little short on freestylers, but give us a few years and we'll have state champion material again."

Ten seniors will be lost from the squad next year, but upcoming freshmen prove promising. There were more letter winners this year than ever before.

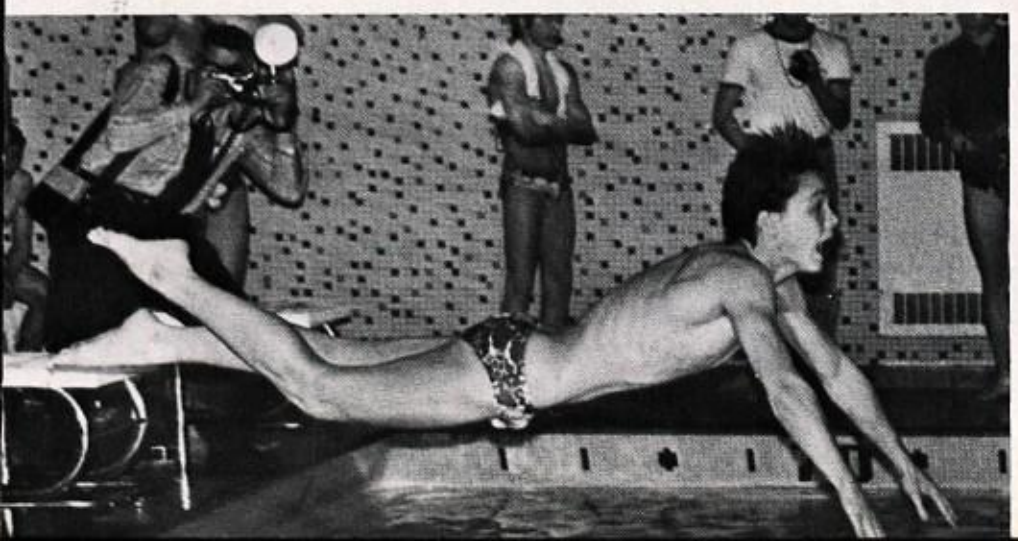
Workouts for the Superfish ranged from 10,000 to 14,000 yards a day. Workouts lasted from 7:00 to 8:20 and 3:15 to 6:00 every weekday. The season for some was often a long one. For those who swim in the summer, their season lasted from June to March.

SENIOR COMMENTS

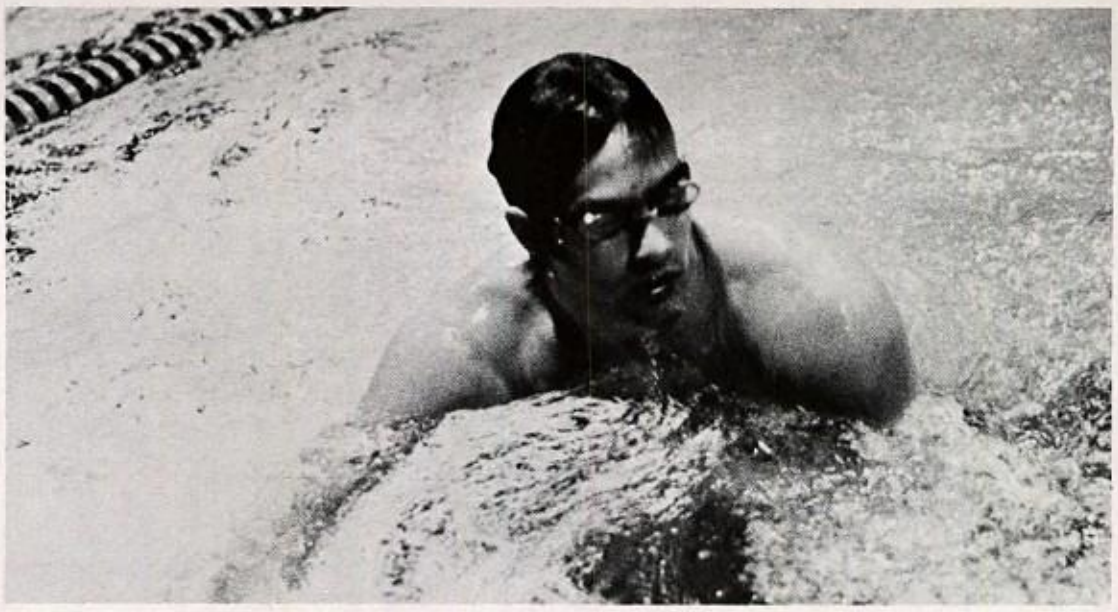
Jeff Pedelty — "It was a worthwhile experience swimming with such great teammates."

Kelly Murra — "I wouldn't trade our team for any other in the state."

Doug Erickson — "I'm glad it's over, but I'm glad I did it."



SCARED TO DEATH — Sophomore Bob Peterson does a flying start in the freestyle relay.



THE END — Steve Hugo touches the wall after completing the individual medley. Steve had a great year, winning two state titles.

"THANK YOU" — Scot Bovard accepts his state third place 100-yard freestyle medal as two other skinheads look on.

Entire team to regional

The over-all competition in girls gymnastics was almost uncomparable to its beginning four years ago. The M.C.H.S. gymnastics squad has improved tremendously in these years, but coach Dlouhy commented that the worst team he had coached was the first year, and they placed better in districts and regionals than any of his teams since then.

This year's 14-girl squad had a dual meet record of 5-4, losses coming by way of Des Moines Roosevelt (state champs), Cedar Falls, Ames, and West Des Moines.

The entire Mohawk team advanced from district to regional with a third place finish. Individuals and their specialties were Betty Butler, all-around; Bonnie Benn, trampoline and all-around; Sue Moseley, trampoline and vaulting; Lynne Moyer, floor exercise; Linda Faille, balance beam; Christy Nolte, balance beam; and Debbie Lange, floor exercise and uneven parallel bars. At regionals, Sue Moseley placed high enough to gain a berth in the state meet.

A MOMENT IN FLIGHT — Spotters observe a flawless revolution in teammate Sue Moseley's state-bound trampoline routine.

Mohawks take second in Big Eight

If it were possible to "not count" the last two games of the season for the Mohawks, the season would have been perfect. Even as it stands, it was unexpectedly successful.

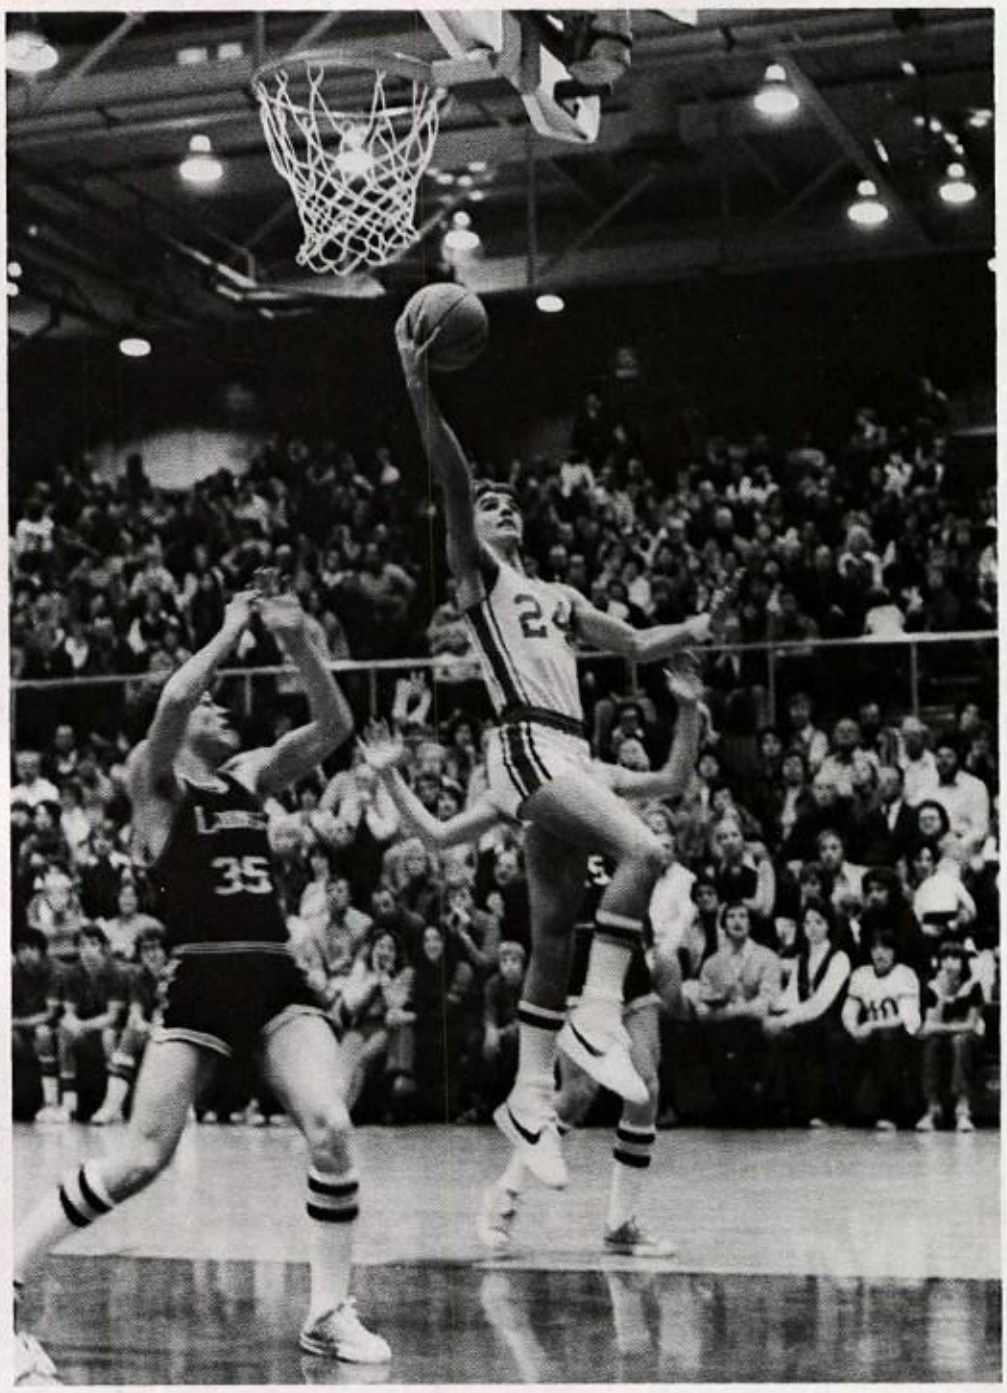
Because of only one returning man with experience, the Mohawks went into action rated low and not expected to be a major factor in the Big Eight title race. The team got off to a good start, played well in defeating Charles City, West Waterloo, and East Waterloo; and when the first ratings came out, the Mohawks were ranked in the No. 4 spot in state.

The Mason City squad rolled through the next six contests, before being stopped by powerful Ames. Throughout the season the Mohawks lost only three more games, the defeats coming from Marshalltown, Ames, and in district competition to Waverly. The team held a 15-4 record at the end of the season.

One major strength for the Mohawks was a tough defense. The Mohawk offensive percentage was a near record high of 49.5%. Coach Garth cited a smart offense that took only good shots as one reason for such success.

At the head of the squad in scoring was senior Ron Angell, a unanimous choice for first team all-conference guard. In the game against Cedar Falls he scored a record high of 53 points. Throughout the season he made shots with a consistency better than 53% from the field, and 79% from the free throw line, averaging 26.7 points a contest.

Backing up Angell was Matt Benn, a second team all-conference guard, who scored 31 points in the Albert Lea game. Rounding out the starting line-up were junior forward Tom Matheson who led the team in assists; Brad Long, the Mohawk top rebounder; and Gary Wirtz, center.



UP, UP, AND AWAY — Matt Benn eyes the basket as he puts up the ball for a quick two points.

B.B. expertise

The Mohawk sophomore basketball team swished through another big season under the determined leadership of coach Paul Strathman. The team faced up to some tough contenders, but came up with an even and hard-earned 9-9 record. They also picked up fourth place in the conference with a record of 7-7.

Managers Dave Tillou, Dave Moore, and Jim Moorehead kept the boys going on the road and off. Ron Wagner and Steve Carlisle were noted for their outstanding job in rebounds, and Bob Erickson was a top scorer for the Mohawks averaging 14 1/2 points per game.

Most of the boys started at one time or another. It's hard to choose starters when MCHS has so many talented and willing boys to fill the shoes of a sophomore basketball player.

Gymnasts improve

The MCHS boy's gymnastics team finished its second year of competition and is already looking forward to next year's season, as most of its top scorers will be back.

Practicing from the first week of September to the end of October, the 17 boys worked hard five nights a week for an hour and a half. They experimented with various events, such as the pommel horse, vaulting, floor exercise, trampoline, high bar, parallel bars, and rings.

The Mohawks were defeated in the Waverly — Shell Rock and West Waterloo dual meets but finished third in the West Waterloo Invitational. They also competed in the UNI Invitational.

Coach Dlouhy, along with Coach Ray, felt the team was much improved over last year's team and have great hopes for a more competitive team in 1976.

Girls volley for 12-4 record

The 1975 season brought the girls volleyball team and their coach, Alice Phillips, a fairly successful year. Their schedule resulted in 12 wins and 4 losses for the varsity team and a perfect 6-0 season for junior varsity.

In district competition the varsity team placed second, winning five matches and losing only to Osage, who went on to state, by scores of 15-9, 16-14, 16-14.

Letterwinners for the team included seniors Jolene Peck, Cindy Warner, Diane Butler, Diane Faught, and Pam Rose. Junior letterwinners were Kathy Konigsmark, Stacy Roberts, and Sharlene Langhoff.

Prospects for next year look good as the team will have its three junior letterwinners back. The junior varsity team will be back, which included some girls who were only freshmen this year.

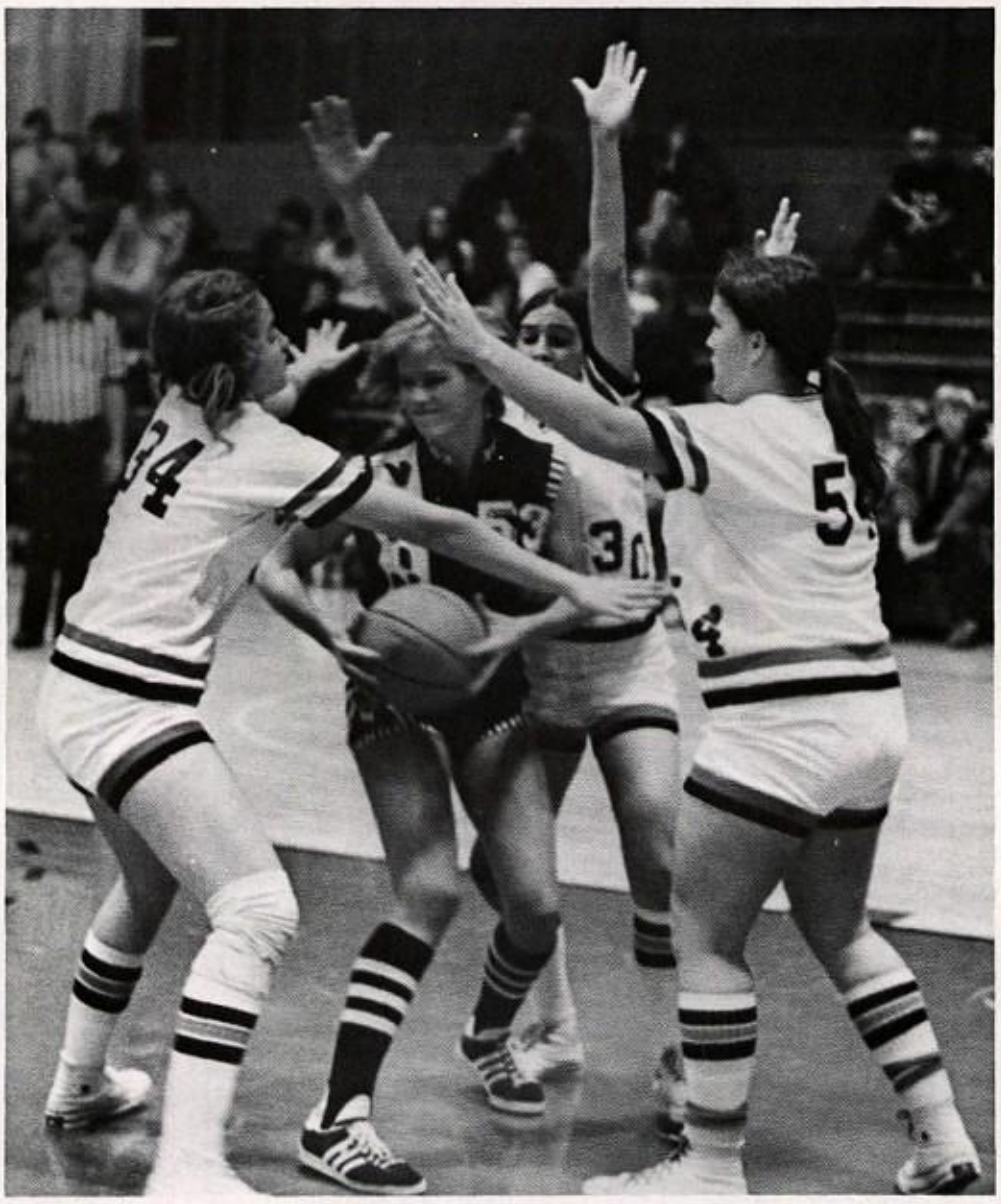
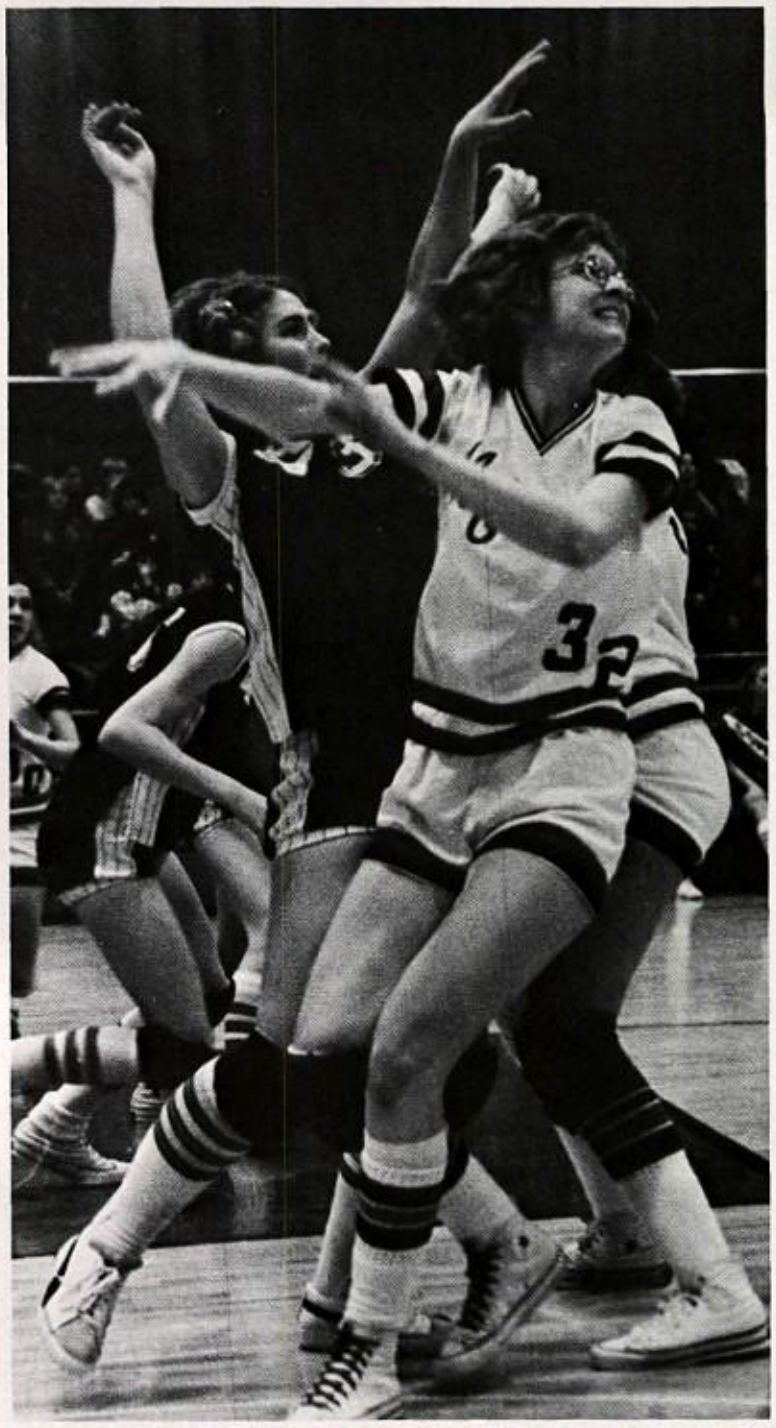
ALL FENCED IN — No. 53 looks a bit frantic and with due cause. "Kone", Peck and Kephart are enough to worry any opponent.





NO, NOT INTERPRETIVE DANCE — Junior forward Laurie Rippentrop is actually looking for the ball that her dancing partner just shot.

"IT'S LIKE THIS, GIRLS" — Coach Nichol lays down some strategy to a somber bench of starters.

Girls exceed expectations

In their second season, the M.C.H.S. girls basketball team established a respected niche in the girls basketball scene.

The Mohawks played tougher competition, adding 7 teams to their schedule. There wasn't Big Eight conference play in girls basketball because of the new-team status in most of the schools, but from the contests held between the schools, Mason City was rated second behind Fort Dodge. Next year the Mohawks will be picking up some top-level competition with Lakota, Sheffield, and Nora Springs.

Improvement was expected of the team, and was realized. As the season progressed the Mohawks won and played with greater consistency. A major factor for the girls' success was the balance over the entire court. A strong guard court, led by seniors Teri Pierce and Diane Faught, along with junior Sharlene Langhoff, maintained a low defensive average of a little over 47 points per game. Langhoff lead the team in rebounding, and Pierce was at the head of the pack in steals, blocked shots, and interceptions. Several junior reserves saw action and gained experience for next year. Paula Francis, Deb Jass, Patty Lange, and Julie Cornick put on good defensive showings for the Mohawks.

The forward court was led by junior Kathy Konigsmark and backed up handily by veterans Candy Kephart, Jolene Peck, Pam Rose, and Laurie Rippentrop, all being seniors except Rippentrop. The starters were rotated often and several outstanding performances resulted.

Konigsmark, who averaged 20 points per game last year, led the team in scoring. She started the season bagging about 20 points in a game, worked up through the 30's and in the sectionals had back-to-back games with 41 big ones (a Mohawk record). Her end of the season average was a reputable 28 points per contest.

For the first time, the team advanced in sectional play. The first meeting in sectional was against Woden-Crystal Lake. The Mohawks came out on top by 11 points. The next scheduled game was against Forest City, a tough club that had previously beaten the M.C.H.S. outfit. They did it again, but by a mere point. In the consolation game it was Mason City vs. Lake Mills. Mason City was knocked out of contention by Lake Mills, with whom they had split a pair of regular season games.

Going into sectional the Mohawks possessed a 12-4 record. They ended with a still fine 13-6. Anyway you look at it, the club had improved immensely, and coach Nichol speculated that the improvement was at least twice over last year's performance.

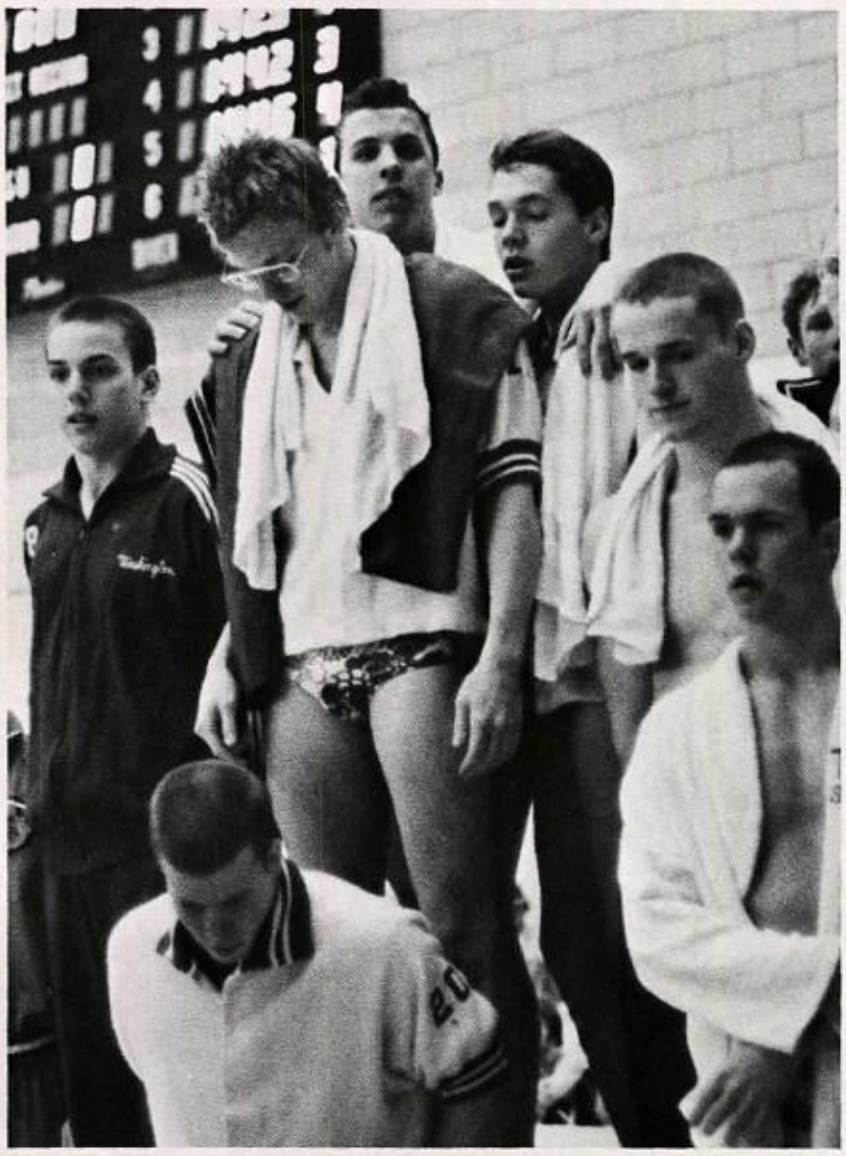
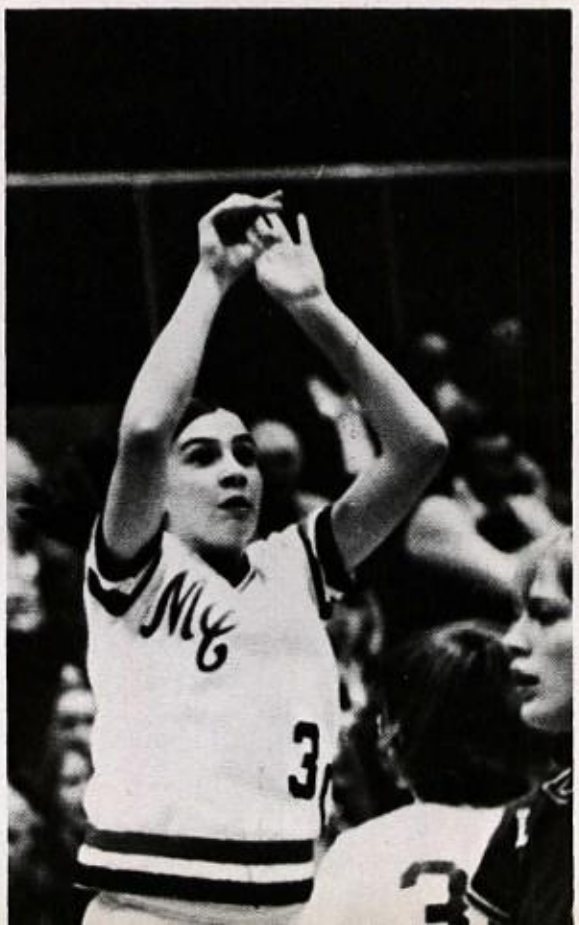
Mohawks are competitors

TOP MOHAWK CAGER — All Big Eight Conference player Ron Angell broke the old school individual game scoring record by two points. He pumped in 53 in a game against Cedar Falls. Ron was a first-team all-state guard.

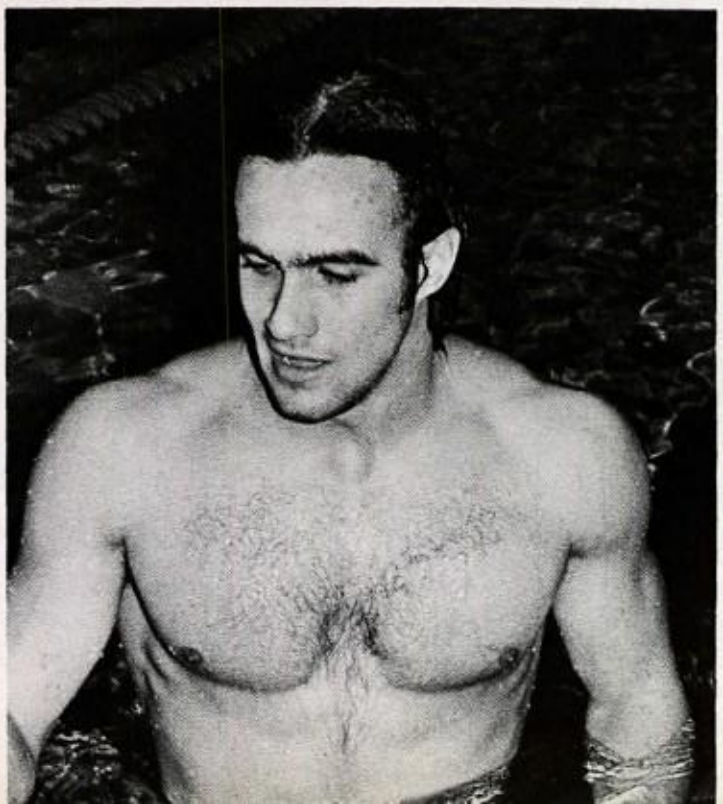


DEFENDING CHAMPS — On top of the victory stand are Dean Neff, Don Wilson, and Bob Peterson, while Scot Bovard stands in front. The Mohawk medley relay team won the state title for the second year in a row, missing the 11-year-old record by a tenth of a second.

GIRL SCORING LEADER — Kathy Konigsmark set a school individual game scoring mark of 41 points. An excellent player, Kathy will return next year.



NO. 1 FOR TWO YEARS — Steve Hugo again won the 100-yard breaststroke at the state swim meet. He also came in first in the grueling 200-yard individual medley.



Winning season for grapplers

The Mohawk varsity wrestling squad posted a 7-5 record, giving seventh-year coach Jerry Ray a third consecutive winning season. The Mohawks wrestle in the toughest conference in the state, which makes a winning season a hard fought goal. The Big Eight Conference crowned nine of twelve champions at the state meet in Des Moines.

Wrestling is a very demanding sport. The wrestlers have to put in a considerable amount of time and effort in the wrestling room. To instill a winning attitude and boost spirits, two Mohawks were selected by their teammates as co-captains. Senior Bob Bartel and junior Mark Egeland shared the honors as they led the Mohawks to a fine season.

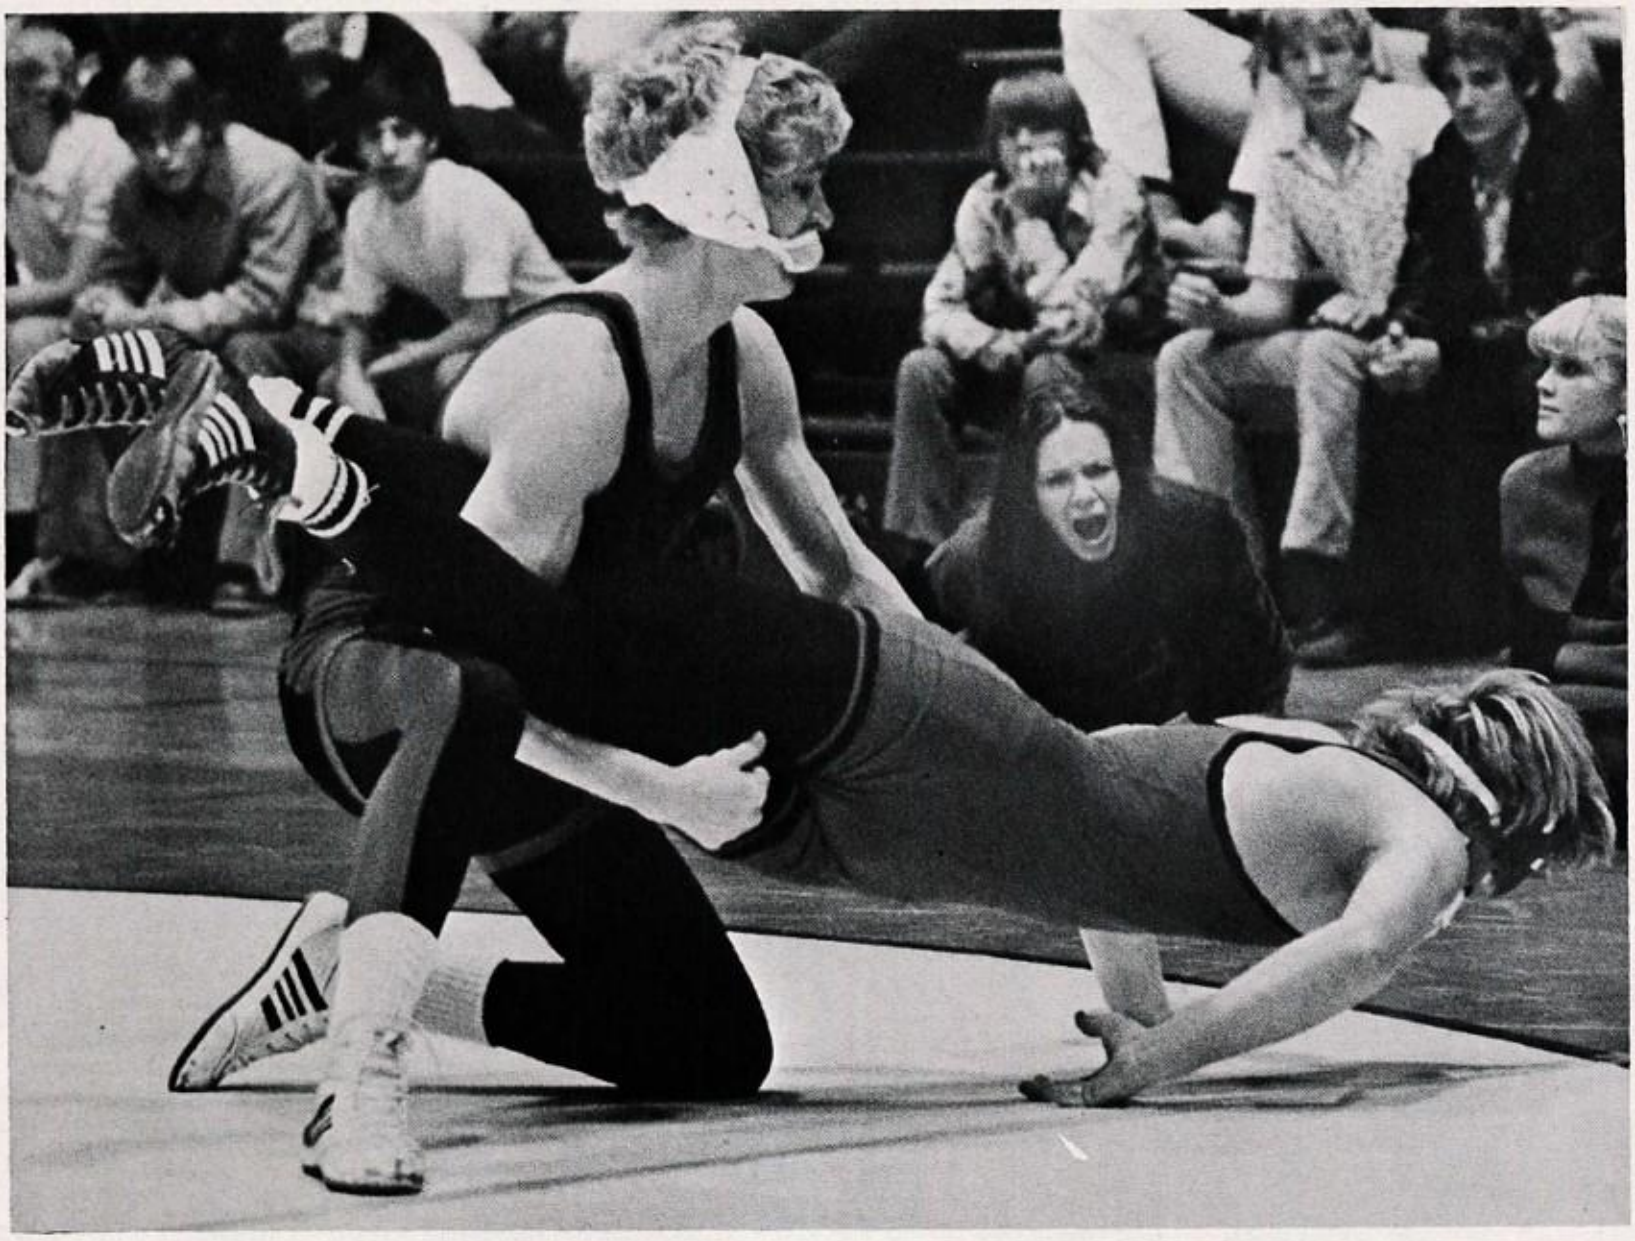
The wrestlers started the season on a good note by capturing the Blue Earth Tournament, after taking second the preceding two years. Winning championships were 98-pounder Jay Harris and 138-pounder Dennis Radio.

At the Osage Tournament, four Mohawk grapplers earned gold medals. They were Mike Heaford, Sheldon Kiroff, Ken True and Harris.

The first three dual meets of the year between Britt, New Hampton and East Waterloo were won handily. Then the Mohawks hit a slump and dropped five straight.

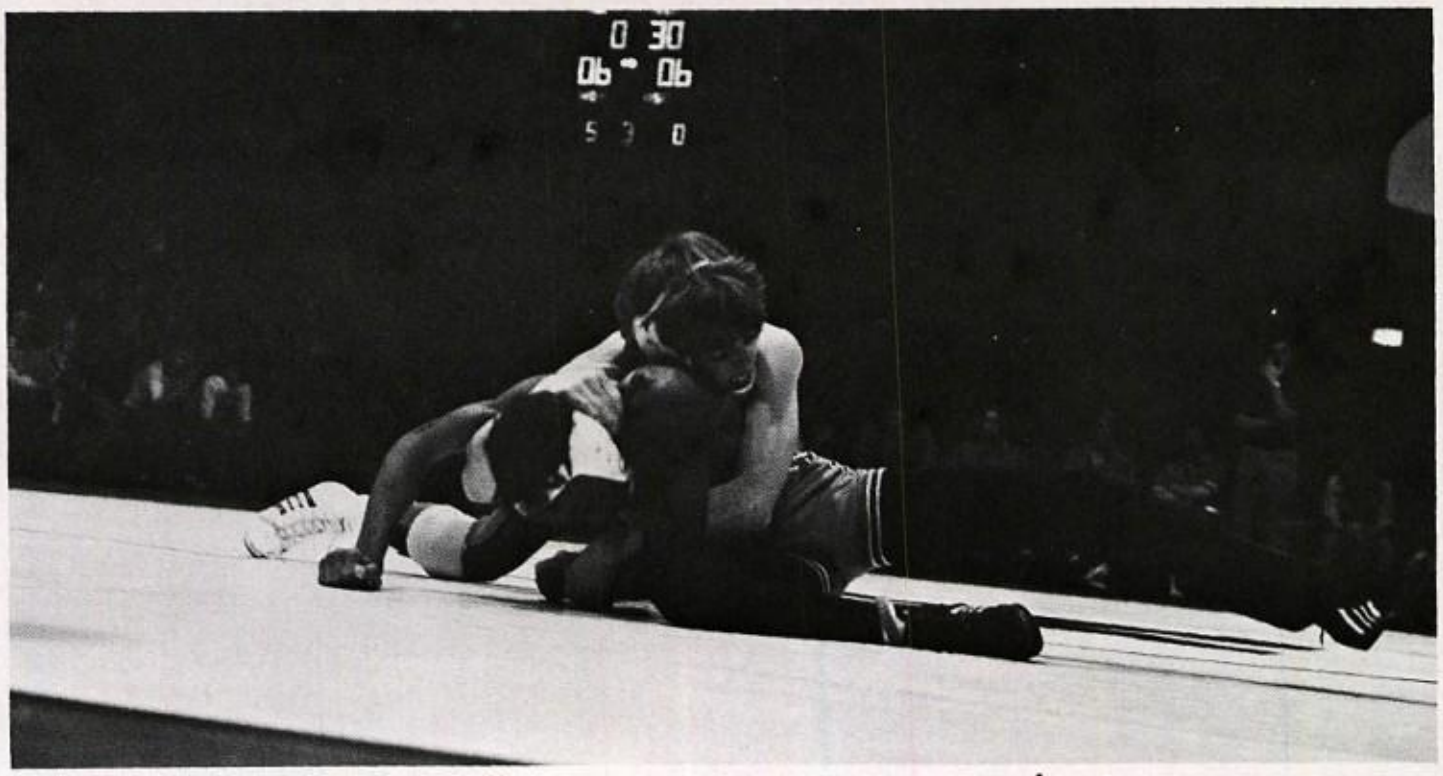
The determined wrestlers finished the dual meet season off strong by defeating Ames and by winning their own triple-dual for the third consecutive year.

The future looks very promising for coaches Ray and Bye. They have several returning veterans with valuable experience. They include varsity regulars Harris, Gary Price, Egeland, Mike Heaford, Kiroff, True, and Ted Winters.



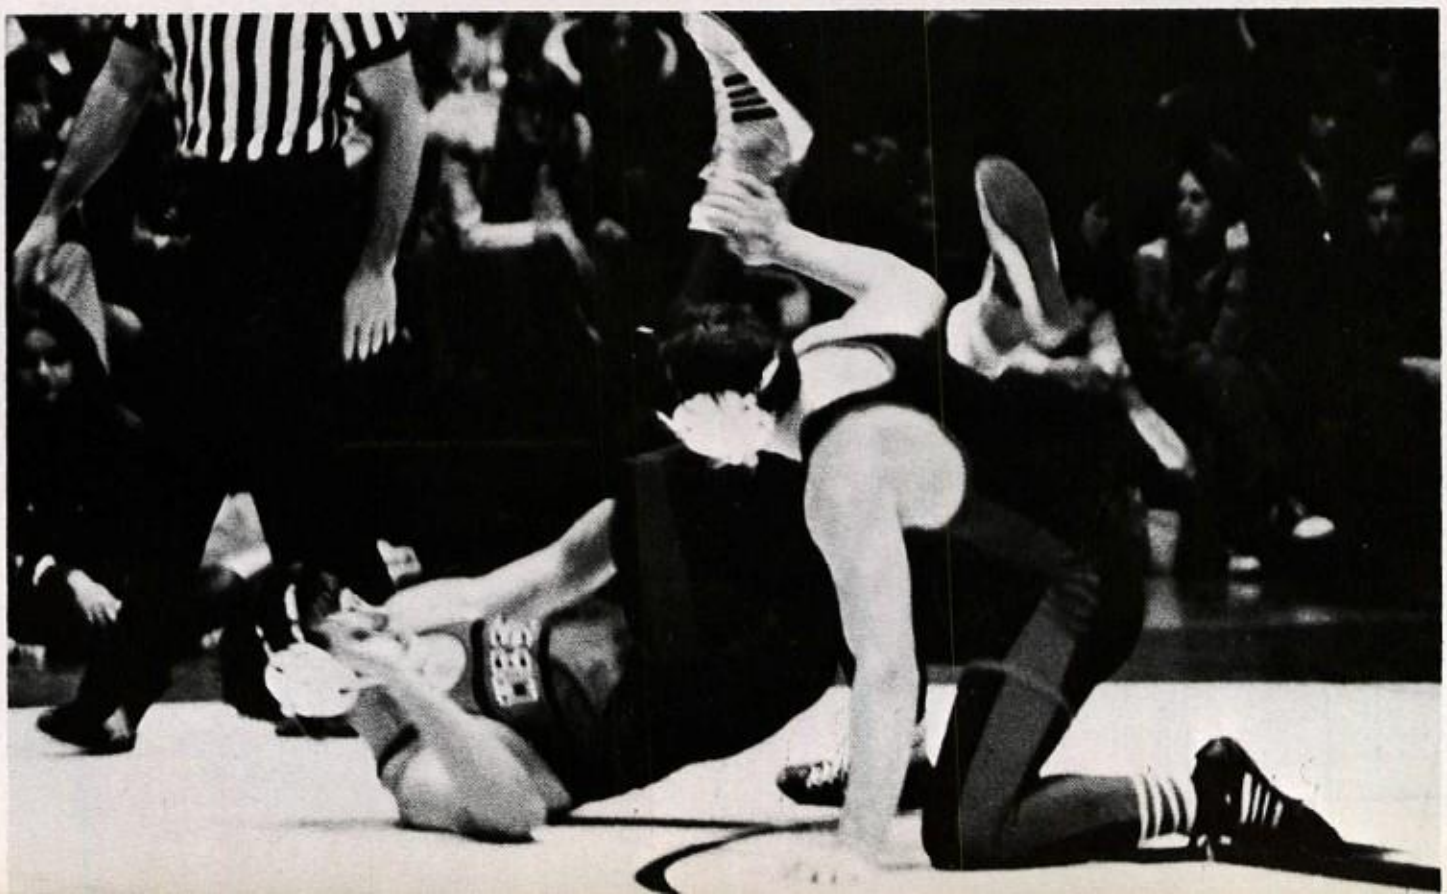
TURN HIM — Junior Mike Heaford rides state champion Mitch Sterns out for a hard fought victory.

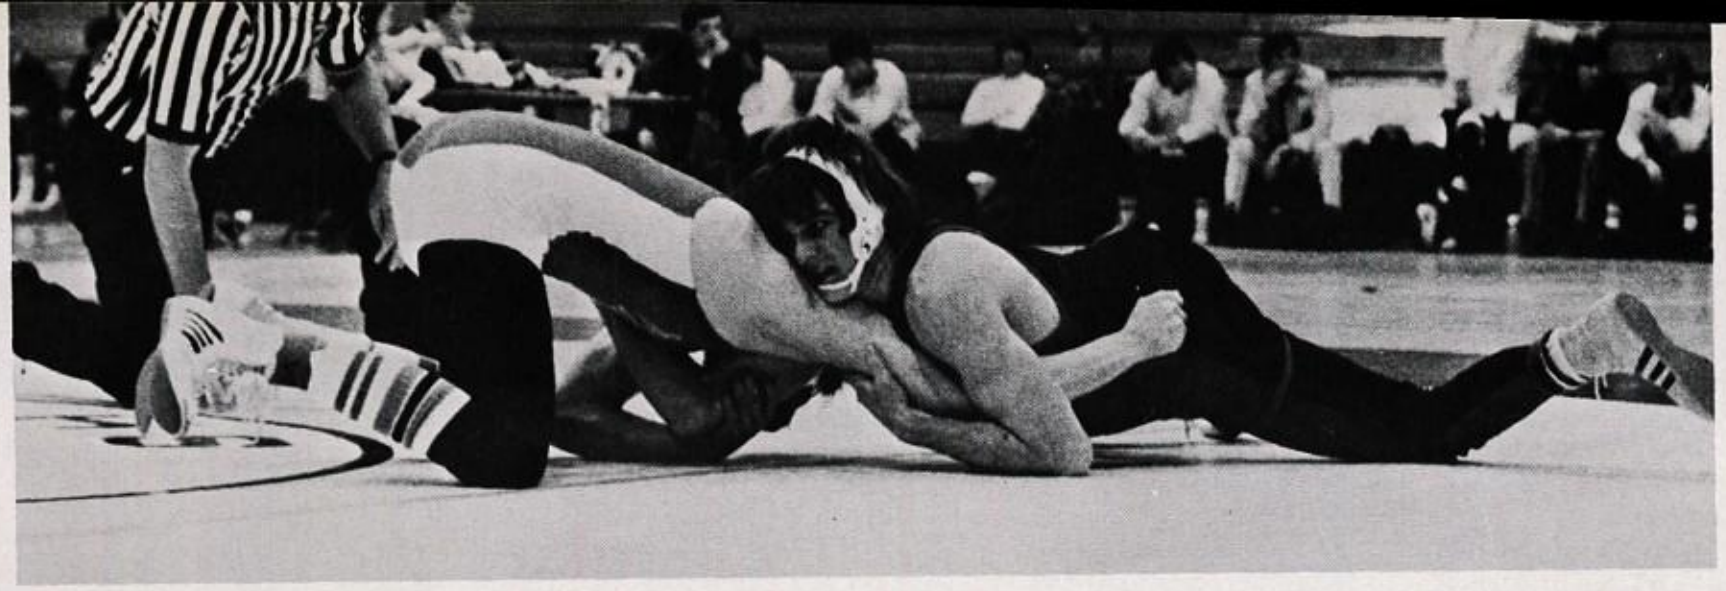
GUILLOTINE — Jay Harris attempts to turn his opponent to his back.



SQUARED OFF — Mark Egeland pressures his opponent for a victory.

NEAR FALL — Junior Ken True picks up some near-fall points in dual meet action.





DEFENSE — Co-Captain Bob Bartel prevents his opponent from scoring a takedown in district action.

BAND-MASTERS

Teachers—definitely not a new experience, though each one individually is. Through teachers we can learn, if we are willing to keep our minds open. With their help, we are able to grow, to become ourselves, and to keep moving on to new experiences. Their worth is no less than our worth, and the cycle will be completed as we grow into their position. Through their teaching of the basic skills in education, as well as their willingness to help, they encourage each of us to step to the music we hear.

MCHS welcomed a new associate principal to its staff, Mr. Jon Crawford.

Dr. Patzwald, Dr. Bogard, and Mr. Crawford worked hard at trying to provide the students with better educational surroundings.

A crackdown was made on tardiness and absenteeism, two problems at MCHS. Solutions to other problems, such as smoking and vandalism, undoubtedly will continue to be searched for in years to come.

Our administration has given great efforts in trying to make our school hours more enjoyable.

Big business in food

DOROTHY WILKEY

Mrs. Dorothy Wilkey, cafeteria director of all the Mason City Schools, had a very full job. She was in charge of 11 elementary schools, 3 junior highs, and the high school. The high school provided a breakfast program which was very popular, and served lunch to nearly 5,000 students at noon.

The school system operated on a $25,000 a day business. It was probably the biggest food business in Mason City.

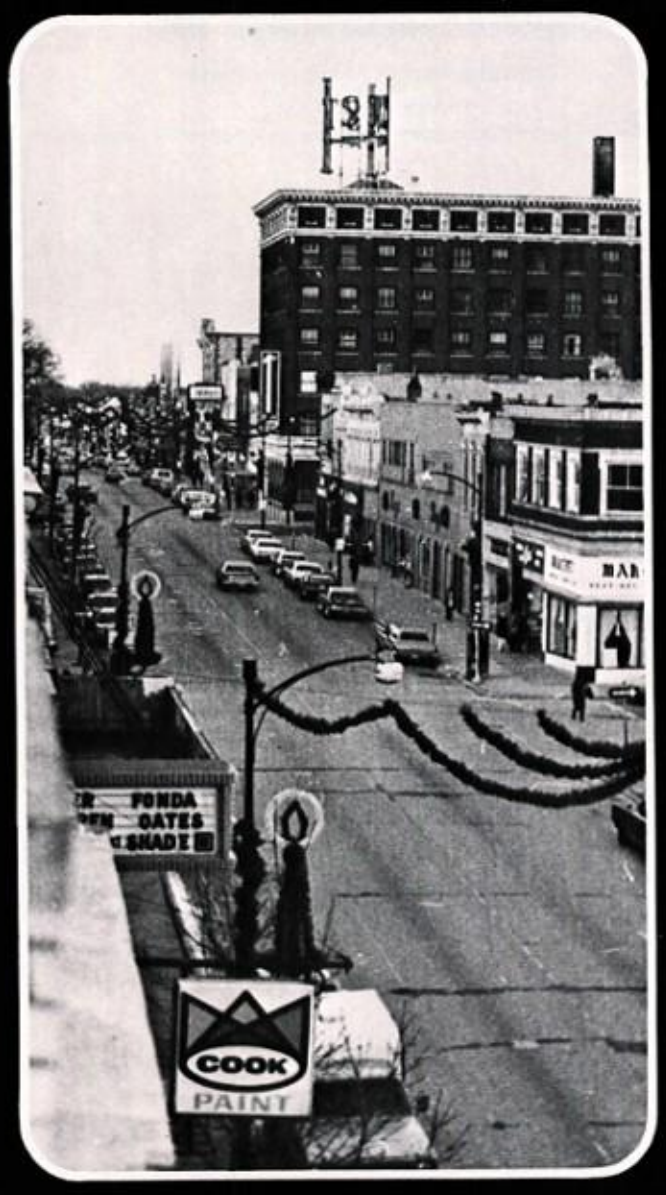
IS EVERYBODY HAPPY? — Mary Erickson appears to be enjoying herself.



DOWNTOWN

A quick jaunt took us downtown to patronize local shops, to window shop, or just to meet friends. Momentarily leaving the ranks of students, we became customers — sometimes very loyal customers for those with regular hang-outs. Sometimes only potential customers. At any rate, whether we came to do business or just "scoop the loop," much of our lives happened downtown.

THINK! THINK! THINK!

Study opportunities wasted will guarantee future regrets that often cannot be corrected.

What YOU do now or don't do, determines to a very large extent the dimensions of your Future.

Will YOU have the technical skills - especially in the area of communications when opportunity knocks !!

does it matter where you buy your diamond?

It certainly does. A purchase as important as a diamond should not be made on the basis of price or "cut-rate" inducement, but on the firm foundation of *quality and value received*. Our American heritage is based upon self-reliance and the efforts of hard working people. From many ethnic origins we have joined together to accomplish mutual goals through the free enterprise system. The employees of Libbey-Owens-Ford Company are proud to be a part of that tradition; established more than 100 years ago in a small but enterprising glass-making shop. We've got the spirit of '76.

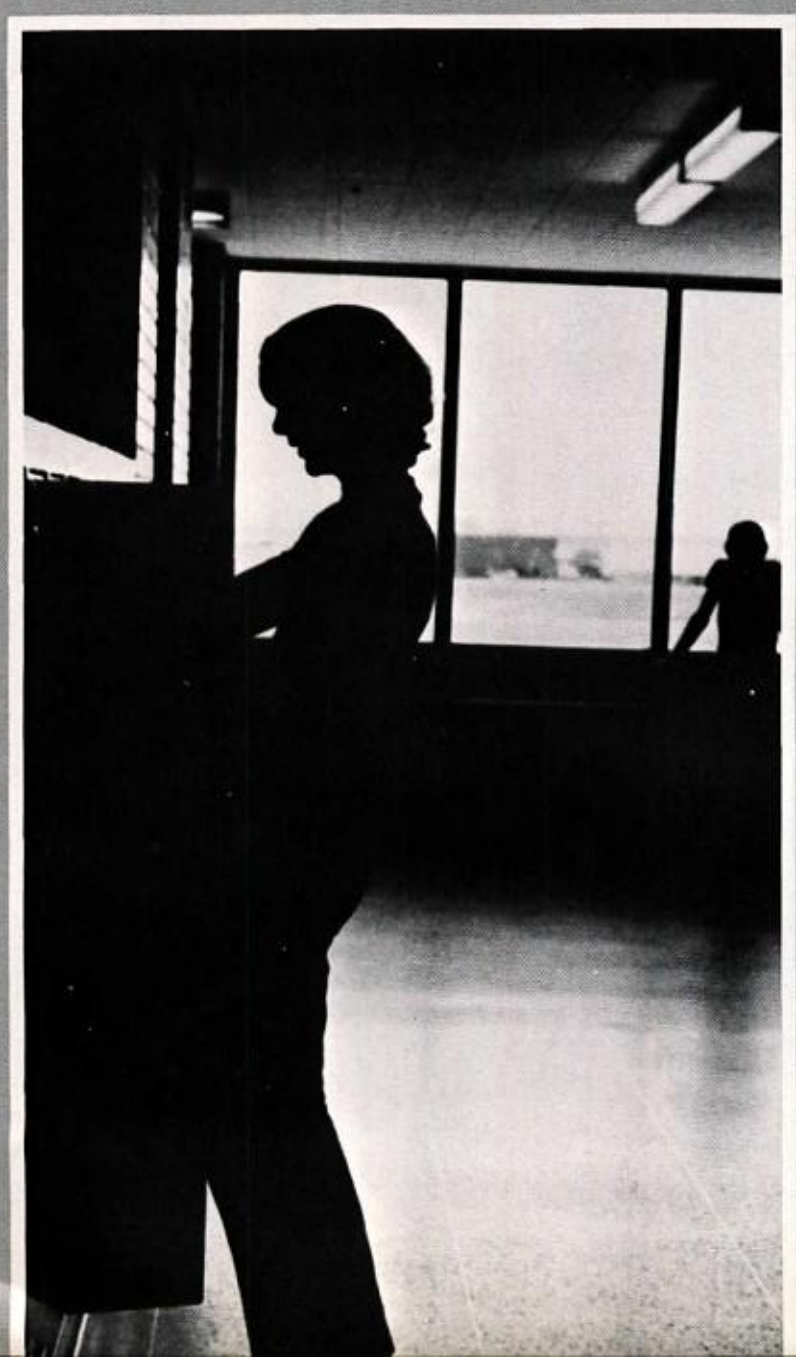
JUST AROUND THE CORNER — Two students sit by the window dreaming of the days when they don't have to be inside looking out.

THE GREAT RACE — Lois Foster and Jay Harris display the spirit typical of MCHS students on their way to being No. 1.

CROWD PLEASER — Students meet outside of school to cheer the football team on.

IS THAT IT? — A student makes a last check of his locker before leaving the school one more time.



. . . and now all activities have come to an end. The class of '76 has moved out into the world and the classes of '77 and '78 have taken a step forward.

1976 will be remembered as the bicentennial year in which we experienced the good with the bad — a record number of musicians represented us at All-State, attendance procedures were tightened, choir performed at Luther College, TAAG abandoned, band was stuck in a snowstorm enroute to Iowa City, no snow in Mason City until March, basketball teams didn't quite make it to state, boy swimmers took second in state, exchange students and teacher shared in a part of it all.

AND THEY'RE OFF — Commencement exercises mark the end of high school days for seniors.

CATCH YA, LATER — A last minute pause is taken before rushing off in separate directions.

DAY IS DONE — When the sun sets, it is time to rest.
